Speaking raising points of concern was Mr Brown.

Speaking as ward councillor was Councillor Crow-Brown.

It was proposed by the Chairman and seconded by the Vice Chairman:

“THAT the officer’s recommendation be adopted, namely:

‘That the application be APPROVED subject to the following conditions:

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2 The development hereby approved shall be carried out in accordance with the amended site plan dated 12 October 2016, with no caravans to be sited within the area marked as landscaping (open land with grass and trees).

GROUND:

To secure the proper development of the area, and in the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies D1 and D2 of the Thanet Local Plan

3 Prior to the commencement of development hereby approved, full details of both hard and soft landscape works, to include:

- o species, size and location of new trees, shrubs, hedges and grassed areas to be planted
  - o the boundary treatment with Rose Cottage, to include a landscape buffer along the north-western boundary of the site with Rose Cottage,
  - o walls, fences, other means of enclosure proposed
- shall be submitted to, and approved in writing by, the Local Planning Authority.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies D1 and D2 of the Thanet Local Plan

4 All hard and soft landscape works shall be carried out in accordance with the approved details. The works shall be carried out prior to the occupation of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species, unless the Local Planning Authority gives any written consent to any variation.

GROUND:

In the interests of the visual amenities of the area in accordance with Policies D1 and D2 of the Thanet Local Plan.

5 Existing trees, shrubs and hedgerows identified for retention within the development site or existing trees growing on an adjacent site, where excavations, changes to land levels or underground works are within the crown spread, shall be protected in accordance with BS 5837: 2005 using the following protective fence specification:-

- o Chestnut paling fence 1.2m in height, to BS 1722 part 4, securely mounted on 1.7m x 7cm x 7.5cm timber posts driven firmly into the ground. The fence shall be erected below the outer most limit of the branch spread or at a distance equal to half the height of the tree, whichever is the furthest from the tree, unless otherwise agreed in writing with the Local Planning Authority.

The protective fencing shall be erected before the works hereby approved or any site clearance work commences, and shall thereafter be maintained until the development has been completed.

At no time during the site works shall building materials, machinery, waste, chemicals, stored or piled soil, fires or vehicles be allowed within the protective fenced area.

Nothing shall be attached or fixed to any part of a retained tree and it should not be used as an anchor point.

There shall be no change in the original soil level, nor trenches excavated within the protective fenced area.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment, in accordance with Thanet Local Plan Policies D1 and D2.

6 The caravans shall be occupied for holiday purposes only and no caravan shall be occupied as a person's sole, or main place of residence.

GROUND:

In the interests of the visual amenities of the area and landscape character of the countryside, in accordance with Policies CC1 and CC2 of the Thanet Local Plan 2006 and National Planning Policy Framework.

7 The owners/operators shall maintain an up-to-date register of the names of all owners/occupiers of individual caravans/log cabins/chalets on the site, and of their main home addresses, and shall make this information available at all reasonable times to the Local Planning Authority.

GROUND:

In the interests of the visual amenities of the area and landscape character of the countryside, in accordance with Policies CC1 and CC2 of the Thanet Local Plan 2006 and National Planning Policy Framework.

8 No more than three caravans shall be sited on the land.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies D1 and D2 of the Thanet Local Plan”

Following debate, the motion was put to the vote and declared CARRIED.

PROPOSAL: Outline Application for the erection of 12 detached dwellings, with access via Southall Close including access, layout and scale

Speaking in favour was Mr Brown.

It was proposed by the Chairman and seconded by the Vice-Chairman:

“THAT the officer’s recommendation be adopted, namely:

“That the application be DEFERRED AND DELEGATED to the Director of Community Services to approve subject to receipt of a legal agreement securing the agreed planning obligations and the following safeguarding conditions:

1 Approval of the details of the scale and appearance of any buildings to be erected, and the landscaping of the site (hereafter called "the reserved matters") shall be obtained from the Local Planning Authority in writing before any development is commenced

2 Plans and particulars of the reserved matters referred to in Condition 1 above, shall be submitted in writing to the Local Planning Authority and shall be carried out as approved.

GROUND:

In accordance with Section 92(2) of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

3 Application for approval of the reserved matters shall be made to the Local Planning Authority before the expiration of 3 years from the date of this permission.

GROUND:

In accordance with Section 92(2) of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

4 The development hereby permitted shall be begun before the expiration of 2 years from the date of approval of the last of the reserved matters to be approved.

GROUND:

In accordance with Section 92(2) of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

5 Prior to the commencement of the development hereby approved, the applicant, or their agents or successors in title, shall secure the implementation of a programme of archaeological work, in accordance with a written scheme of investigation which has first been submitted to and approved in writing by the Local Planning Authority

GROUND:

To ensure that the archaeological history of the site is recorded in accordance with the advice contained within National Planning Policy Framework.

6 No development shall commence until a site characterisation and remediation scheme has been submitted to and approved in writing by the Local Planning Authority and the remediation scheme has been implemented in accordance with the approved details. The site characterisation, remediation scheme and implementation of the approved remediation scheme shall be carried out in accordance with the following criteria:

(a) Site Characterisation

An investigation and risk assessment, in addition to any assessment provided with the planning application, shall be completed in accordance with a scheme to assess the nature and extent of any contamination on the site, whether or not it originates on the site. The contents of the scheme are subject to the approval in writing of the Local Planning Authority. The investigation and risk assessment shall be undertaken by competent persons and a written report of the

findings shall be submitted to and approved in writing by the Local Planning Authority, and shall include:

o A survey of the extent, scale and nature of contamination

o An assessment of the potential risks to:

- Human health
- Property
- Adjoining land
- Groundwaters and surface waters
- Ecological system

o An appraisal of remedial options and a recommendation of the preferred options

The site characterisation report shall be conducted in accordance with British Standards and current DEFRA and Environment Agency best practice.

(b) Submission of remediation scheme

A detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property and the natural and historical environment must be prepared, and shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall include all works to be undertaken, proposed remediation objectives and remediation criteria, a timetable of works and site management procedures. The scheme shall ensure that the site cannot be considered as contaminated land under Part 2A of the Environmental Protection Act 1990 in relation to the intended use of the land after remediation.

(c) Implementation of Approved Remediation Scheme

The approved remediation scheme shall be carried out in accordance with its terms prior to the commencement of the development other than that required to carry out remediation. The Local Planning Authority shall be given two weeks written notification of commencement of the remediation scheme works.

Following completion of measures identified in the approved remediation scheme, a verification report (referred to in Planning Policy Statement 23 as a validation report) that demonstrates the effectiveness of the remediation carried out shall be submitted to and approved in writing by the Local Planning Authority

GROUND:

To ensure that the proposed site investigation, remediation and development will not cause harm to human health or pollution of the environment, in accordance with the advice contained within the NPPF.

7 No development of the dwellings hereby permitted shall take place until details of the means of foul and surface water disposal, including details of the implementation, management and maintenance of any proposed Sustainable urban Drainage Systems, have been submitted to and agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with such details as are agreed and thereafter maintained.

GROUND:

To prevent pollution, in accordance with the advice contained within the National Planning Policy Framework.

8 No building hereby permitted shall be occupied until details of the implementation, maintenance and management of the sustainable drainage scheme have been submitted to and approved in writing by the local planning authority. The scheme shall be implemented and

thereafter managed and maintained in accordance with the approved details. Those details shall include:

- i) a timetable for its implementation, and
- ii) a management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage system throughout its lifetime.

GROUND:

To ensure that the principles of sustainable drainage are incorporated into this proposal and to ensure ongoing efficiency of the drainage provisions

9 Prior to the first occupation of the development, the area shown on the deposited plan for the parking and manoeuvring of vehicles shall be operational prior to any part of the development hereby approved being brought into use. The area agreed shall thereafter be maintained for that purpose.

GROUND:

In the interests of highway safety.

10 Prior to the first occupation of the development, the secure cycle parking facilities, as shown on approved drawing received 24 November 2016 shall be provided and thereafter maintained.

GROUND:

In the interests of promoting increased cycling in accordance with policy TR12 of the Thanet Local Plan

11 All dwellings hereby permitted shall be provided with Superfast Fibre Optic Broadband 'fibre to the premises', where there is adequate capacity (internal min speed of 100mb to each building).

GROUND:

To serve the future occupants of the development in accordance with Policy D1 of the Thanet Local Plan and the guidance contained within the NPPF.

12 Details to be submitted pursuant to Condition 1 above shall show development not exceeding the building heights indicated within the Design and Access Statement dated August 2015.

GROUND:

In the interests of visual amenity in accordance with Policy D1 of the Thanet Local Plan.

13 The proposed development shall be carried out in accordance with the submitted application as amended by the revised drawing numbered CT/DB/16/6/2a, CT/DB/11/1, 'Plan of Parking and Turning area and dated 24th November 2016

GROUND:

To secure the proper development of the area.

14 Prior to the commencement of work on site, construction vehicle loading/unloading and turning facilities, and parking facilities for site personnel and visitors, shall be provided for the duration of construction.

GROUND:

In the interests of highway safety.”

Following debate, the motion was put to the vote and declared CARRIED.

**125. EXCLUSION OF PUBLIC AND PRESS**

Tim Howes, Director of Corporate Governance and Monitoring Officer outlined the report and recommended:

- a) That the Committee consider the background, history and context of these appeals in public - and to assist, a redacted report will be circulated to the public and those Councillors who are not Members of the Planning Committee.
- b) That the Committee excludes the press and public whilst they are receiving and considering legal advice on the matter
- c) That the Committee then revert back to public session to make their decision.
