2.0 General Points

- 2.1 Applicants for a premises licence are required, as part of the licensing procedure, to display a public notice which provides information to the public regarding the manner in which objection may be made. One public objection has been received which is appended at Annex 4.
- 2.2 The applicant is further required to give notice of the application to responsible authorities. The Police and Environmental Health have made representations which are appended at Annex's 5 and 6.

The Licensing objectives are:- the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm. In carrying out its licensing functions, the Licensing Sub-Committee must also have regard to its statement of licensing policy and the Guidance issued under the Act.
- 2.4 The four licensing objectives are the matters the Licensing Sub-Committee must address when considering whether to grant or refuse the application. Each application should be considered on its merits. Reasons must be given for any decision made by the Sub-Committee.
- 2.5 Where a premises licence is granted mandatory conditions will apply under Sections 19- 21 of the Act. These refer to films, Security Industry Authority licensed staff, irresponsible drinks promotions, provision of free tap water, an age verification policy, availability of small measures, the sale of alcohol below cost, and, designated premises supervisor.

Subject: Objection to the Application for a New Premises Licence - Rokka Ramsgate

Dear Mr. Benstead

Thorley Taverns wish to object on behalf of The Oak Hotel, 66 Harbour Parade CT11 8LN to the application made by Rokka, 64 Harbour Parade, Ramsgate CT11 8LN for a new premises licence to increase the hours for licensable activities,.

The grounds for our objection are not related in any way to 'competition' and we feel an increase in the hours (until 4am) for the licensable activities will cause further noise disturbances to our customers staying in the bedrooms at the Oak Hotel, caused by noise emanating from both amplified music inside the venue and noise created by the patrons of Rokka standing and loitering outside the venue in the smoking area during opening time and thereafter.

This noise nuisance has and will increase the negative impact on the hotel business at the Oak Hotel. Further details will be made available at the hearing but in summary:

- Negative comments regarding noise disturbances from Rokka left on in-house customer comment cards.
- Negative comments regarding noise disturbances left by customers on internet based sites such as Trip Advisor and Booking.com
- Verbal negative comments regarding noise disturbances left by customers on check out made to the reception staff.

You will recall that Thorley Taverns attended on behalf of the Oak Hotel and gave evidence at the previous review hearing, regarding noise nuisance complaints created by Rokka.

We therefore feel that a further increase in the hours for licensable activities at Rokka will result in noise disturbances becoming later (until 4am) to our hotel guests and subsequently negatively impact future bookings at our hotel in the future.

As a fellow trader, Nick Pantelli is known personally to Thorley taverns and we would like to stress that this is not a personal objection but one based on the negative impact his proposals would, if granted, bring to our business next door to his venue.

Yours sincerely

Craig S. Knight

Memo

Date: 7th July 2016
To: Philip Bensted, Licensing and Land Charges Manager.
Re: Premises Licence – Rokka Harbour Parade Ramsgate
From: Amanda Berry, Environmental Health Officer

Background

- 1.1 Mr Pantelli discussed his proposal to extend regulated entertainment and opening hours with Environmental Health at a meeting on 17th May.
- 1.2 Environmental Health advised Mr Pantelli that although we were satisfied with the control of noise at the venue since the Licence Review in 2010 and that no further noise complaints have been justified; our concern in this instance is not music outbreak but from patrons causing a public nuisance to residents in the local vicinity and Environmental Health would not support any extension that would increase the potential for public nuisance.
- 1.3 A subsequent application was received and the proposed amendments are set out in tables 1 & 2 below.
- 1.4 Ramsgate seafront has 11 licensed premises, all of which are licensed to supply alcohol after midnight (Appendix 1) contributing to a vibrant night time economy. This brings benefits to our local economy but at the same time generates additional costs for the council, police and other partners.
- 1.5 Environmental Health is mindful of the balance between the competing needs of our residents and those of our business community. However it is essential to ensure our residents are not unreasonably impacted by public nuisance and can enjoy their homes and environment. As there is little separation of commercial and residential areas in much of Ramsgate, this often means that our residents suffer the impacts of the late night economy, particularly in the radiating residential roads which take the brunt of local residents returning home from a night out. Also there are 21 residential boats residing within the harbour and benefit from very little sound insulation or separating distance.
- 1.6 Environmental Health is unable to record complaints of public nuisance because it is not possible to attribute a particular incident to a single licensed premises. Neither is it possible to suggest conditions to mitigate against public disturbance. The only effective control is through premise closure times. The Community Safety Partnership was consulted in this regard as they are able to review crime and disorder data for the local area, their report is attached Appendix 2.
- 1.7 Members may be aware that the newly licensed Wetherspoons is due to open early next year and since relevant permissions were granted, Environmental Health has had several enquiries from nearby premises about increasing their licensing hours. We are concerned that with the opening of such a significant competing venue that there will be many more requests for extensions, leading to an incremental impact on the local area. The Council has so far had enquiries from The Goose, Arch No 9 and Clique about further extensions to opening hours and/or licensable activities.
- 1.8 It is clear that residents in Ramsgate are already impacted significantly and that the Council already supports the night time economy. It is our view that no further increases to opening times or encouragement through increasing regulated entertainment should be permitted.

Conclusion

Environmental Health would request that Members refuse any extension to current premise licence and allow responsible authorities to continue to consider each TEN application on a case by case basis. Mr Pantelli has already had 7 TEN applications granted this year and has scope to apply to a maximum 12 per calendar year. Environmental Health has to date not objected to the applications and we would suggest that this is an acceptable compromise enabling a review each time an application is received to monitor any ongoing problems as well as not allowing incremental creep of premises licence closing times which will set competitive climate with neighbouring premises and cause a cumulative impact on residents of Ramsgate.

Environmental Health request that Members refuse the application for any increases to licensed activities.

Objection to the application for a premises license

(Licensing Act 2003)

Application ref:

Context:

An application has been made by 'Rokka' licensed premises (64 Harbour Parade, Ramsgate) to request that the licensing committee consider extending their current opening hours to 4:00am. Their application also requests to extend their ability to play amplified and live music and sell alcohol until 3:45am on a Thursday, Friday and Saturday. Their current closing time is 3:30am and the sale of alcohol and music currently ceases at 3:00am. It is the view of the Community Safety Unit that to further extend this license will set a precedent for other premises and have a negative impact upon residents of Ramsgate.

The below map depicts the two wards and close proximity of licensed premises within the Central Harbour and Eastcliff wards that form the Ramsgate Night Time Economy.

Summary:

Following consultation with other council departments and Kent Police, it is felt that this extension is contrary to licensing objectives, as set out in Section 4(2)(a)-(c) Licensing Act 2003, namely the:

- Prevention of crime and disorder
- Public safety
- The prevention of public nuisance

Whilst it is recognised that the wider impact on residents cannot directly be attributed to one premise, but endemic of having a busy Night Time Economy. What can be demonstrated is the cumulative impact of a number of licensed premises extending their opening hours, duration of alcohol consumption and the considerable impact this will have, which we feel members will need to consider when making an informed decision.

This report is submitted on consideration of anticipated outcomes. Officers and members have a duty to consider the perception and impact on Thanet residents when making binding decisions such as these.

Perceived impacts:

1. Increased violent crime and Anti Social Behaviour

The wards of Central Harbour and Eastcliff suffer from high crime and anti social behaviour. The ward of Eastcliff, which this premise is situated is the third highest ward for violent crime¹. This ward is also the third highest ward for Anti Social Behaviour and nuisance², and of these high levels of nuisance, a high percentage is drunk rowdy behaviour.

- **Concern: Extending the hours the economy operates, will also increase the potential for an increase in alcohol related disorder and violent crime**

During the weekend, from 6pm Friday to 6am Monday, across England and Wales, 70% of violent crimes are alcohol related and alcohol related crimes are more likely to be incidents between strangers (64%)³. Furthermore, as the night progresses the proportion of violence related incidents increases from 23% before 6pm to 84% after midnight⁴.

The table above shows all calls to Police to the Central Harbour and Eastcliff ward over the past 5 years. Whilst it is recognised that the majority of the pubs and clubs in Ramsgate are in close vicinity and the source of the nuisance cannot be directly identified, it can be demonstrated that as the night time economy has grown, the amount of nuisance occurring has grown with it.

Eastcliff

And the two wards also have a disproportionate amount of calls with regards to drunk and rowdy behaviour and rowdy groups when compared to other wards:

- **Concern:** Extending the operating hours will further stretch already limited public services, at peak times.

Consideration needs to be given to whether resources such as Police, Ambulance and Waste and Recycling have the capacity to support an increase to Night time Economy operating hours.

2. Increased nuisance and Drunk and Rowdy Behaviour

Reports of drunk and rowdy behaviour in Central Harbour and Eastcliff, have more than doubled between 2011 and 2014, which could be attributed to the increase in bar and clubs. At the same time, Police resources have **not** seen similar increases. Friday and Saturday evenings / early hours are peak times for people requesting Police attendance.

CCTV Evidence

Incidents recorded by CCTV operators show that out of 237 recorded incidents for the Central Harbour ward, 116 of those related to night time economy related disturbances. These disturbances are mainly fights, assaults or drunk and disorderly offences with the majority having to be dealt with by police. These incidents are called in, on a regular basis, by the door supervision staff showing they are unable to manage crime and disorder, and do not monitor their patrons on their route home through the town and residential areas.

Whilst provision has been made for door supervision on Friday, Saturdays, no provision has been made for Thursday when requests have also been made to extend opening hours.

- **Concern: No provision door supervision on Thursday evenings**
- **Concern: Increasing the Night Time Economy hours will increase the impact of nuisance to residential areas as patrons make their journey home without supervision, which may in turn place additional burdens on Police and Ambulance resources.**

3. Timings

Currently the closing times of premises in the Ramsgate Night Time Economy is staggered, meaning that people exit these premises which are in a close proximity, at different times. Research suggest that staggering closing times is an effective means to deal with the potential for alcohol related disorder, particularly when there are limited resources including Policing⁶ and also features in a number of Home Office good practice guidance publications⁷.

Currently Rokka closes at 3:30am and from CCTV records, the latest disturbance recorded with regards to the night time economy was at 4am as the patron was on their journey home. If opening hours were to be extended to 4am, that would push these last disturbances back to 4:30am, meaning the disturbances become closer to the time that some residents will be getting up and starting their journeys to work, especially commuters.

- **Concern: Increasing closing times and not keeping the current exit stagger, could impact on already limited resources and their ability to deal with nuisance and disorder.**

4. Increased rubbish, litter, bodily fluids and waste (and associated clearance costs)

Ramsgate Harbour is a high profile area for Thanet. It also has a disproportionate amount (per resident) of operational services, which directly respond to the Night Time Economy. Functions such as bin emptying,

⁶ Regulating the Night: Metropolitan Police, Wilkinson 2000

waste removal, broken glass removal, street cleansing of bodily fluids , (eg. vomit, blood, urine and excrement) are undertaken after each weekend.

An increase in opening hours with the intention of increasing trade in the area means more foot fall. More foot fall requires more resource from street cleansing teams, including litter picking, use of mechanical sweepers, emptying bins more frequently, all of which have a resource and cost implication for operational services and specialist contractors (for example those who have to be contracted and paid to remove bodily fluids).

- **Concern:** It can be attributed that this is due to the night time economy and by extending the hours the economy operates, so will the cost and resource demand, for increased operational services.

5. Resident perception

Community Safety attend regular meetings with residents and hold a public consultation on residents perception. Litter, rubbish, groups, alcohol related nuisance are topics that are regularly raised.

- Can attract scavenging animals including rats and seagulls.
 - Food litter can make an area appear rundown and neglected.
 - Local people deserve to live in a clean and safe environment.
 - Visitors are less likely to want to return to Ramsgate if it is littered and dirty.
- **Concern:** Increase in Night Time Economy could have a negative impact on perceptions of Ramsgate, visitors and tourism.

Please give the reason for the representation and detail the evidence supporting it:

This new application for Rokka is not supported by the Police.

The Premises is seeking to increase the hours in which it would like to sell alcohol. Currently the hours are to 0300 hours and are looking to extend to 03:45 hours and to close at 0400 hours.

The concern for this application is not only the increase in footfall in the area as it would be the latest opening premises. This could cause further crime and disorder or noise complaints to local residents.

There are many incidents that occur in this immediate location. Not all incidents are connected to this premises. This location is the busiest area for the night time economy in Thanet.

By allowing this licence to be granted it could cause an increase in incidents, connected to noise complaints, drunkenness and ASB. A domino effect is also a strong possibility with other premises keen to adapt to similar hours if granted. This would first start with premises that sell alcohol and would then be premises with late night refreshments. In turn keeping a number of people who have mostly been consuming alcohol in a high residential area later at night.

The most recent incident was on 08/07/2016 at 0307 hours. A violent incident where two people were arrested It was not connected to the premises but was in the immediate area.

The outside area where patrons gather in the evening and the increasing size of this area causes members of the public having to walk in to the road to get past the premises. There is not enough access for even a wheelchair to pass. What is the size of the outside space that Rokka has been granted?

This application is a bold move by the applicant and I have held discussions about possible alternatives. However at this time the police do not feel this application will support the licensing objectives.

The police do not support this application.

Suggested conditions that could be added to the licence to remedy the representation or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary

If a licence was to be granted then the following conditions would be strongly recommended.

The following ideas have been discussed with the applicant.

1. Sale by retail of alcohol – Sunday to Wednesday 0300 hours Thursday, Friday and Saturday 0345 hours (Sunday when followed by Bank holiday Monday to extend to 0345 hours)
2. Regulated entertainment - Sunday to Wednesday 0300 hours Thursday, Friday and Saturday 0345 hours (Sunday when followed by Bank holiday Monday to extend to 0345 hours)

6. Challenge 25

Date(s) of event	26/08/2016 TO 28/08/2016
Licensable activities proposed	The provision of regulated entertainment
Hours of licensable activities	12:00 – 23:45
Name of Premises:	Ramsgate Main Sands Beach
Address of premises:	Ramsgate
Date and time TEN received by police	11/07/2016
Date and time objection notice given to Licensing Authority and the premises user	12/07/2016 <small>Must be within 72 hours of receipt - S104 (3) Licensing Act 2003</small>

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,

The prevention of public nuisance,
The protection of children from harm.

This event is to take place on the mains sands beach in Ramsgate in an area that has the busiest night time economy in Thanet. The TEN's is to the maximum allowed of 499. The police have serious concerns about how this is going to be managed and could expect a larger crowd than being applied for due to its location. Therefore making it difficult to manage and control. The applicant has already said that she expects 6-700. Possibly even 800 to attend. If this was all at its height this would be a huge increase that the TENS allow.

How is this event going to be managed and controlled? 4 SIA I do not feel is enough to control a public beach to keep at the desired numbers. How many staff will be running this event?

The TENS does not allow for the sale of alcohol. The organiser has stated that for the event to be a success they need the sale of alcohol. So now the alcohol can be purchased from other licensed areas. How are the SIA going to control no alcohol coming into this area? Is the area going to be fenced off to stop the movement of alcohol? The police feel that this is not a good time to have a large number of people in the busiest night time economy over a Bank Holiday weekend. Thanet is currently covered by a DPPO, Designated Public Places Protection Order.

The applicant has also said that with other SIA in the area they would assist if anything happened. This in turn would put every premises in breach of their own licence. This is something that cannot happen.

As the event is on a public beach on an August Bank Holiday weekend. I think the TENS is inaccurate in the number of people who might attend. Alcohol purchased from other areas. Lack of SIA to control the area. The demographic is for 11 years and upwards but nothing has been mentioned for the evening when this might become more of a problem.

There is limited information about this event at this time and therefore the police do not support this application.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The police feel that if the event went ahead then it should not go past 2300 hours on any evening.

No alcohol on the site at all, the area would need to be fenced off to support this and then stop the free movement and the location can be accessed from many sides. For

crowd control. People who are not part of the event to be moved on. Otherwise it will allow more people to attend and gather outside of the event and hang around.

A clear number of staff needs to be known and a clicker system to count numbers entering and leaving to secure the 499 is not breached.

Chief Officer of Police Objection Notice in relation to a
Temporary Event Notice given under Part 5 Section 100
Licensing Act 2003 (S104 Licensing Act 2003)

Details of person making objection	
Name of Chief Officer of Police	Sharon Adley
Postal Address: (Area Headquarters)	Margate Police Station Fort Hill Margate CT9 1HL
E-mail address	██████████@kent.pnn.police.uk
Telephone Number:	01843-██████████

The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event	
Date(s) of event	Sunday 7 th August 2016
Licensable activities proposed	The provision of regulated entertainment The sale by retail of alcohol The provisions of late night entertainment'
Hours of licensable activities	02:00 – 04:00
Name of Premises:	The Goose
Address of premises:	34 – 38 Harbour Street Ramsgate Kent CT11 8HA
Date and time TEN received by police	12/07/2016
Date and time objection notice given to Licensing Authority and the premises user	12/07/2016 Must be within 72 hours of receipt - S104 (3) Licensing Act 2003

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,
The prevention of public nuisance,

In recent weeks there has been a large increase of activity in this location. The police has also received noise complaints from local residents over the noise from the premises and close by late night refreshments premises.

This location is a high residential area and the impact of increasing the time the premises is being open will have a big impact.

There is no mention about SIA security being in place for this event. Is it a ticketed event? With being open later it will increase the footfall in this area when other premises are closing earlier. Is there any entry policy in place?

There is also no mention of a drink up period. This in itself will cause problems. The notice also indicates for off sales. So selling alcohol right up to the point of closure will potentially put a number of patrons out in a high residential area consuming alcohol.

The area concerned is covered by a DPPO – Designated Public Places Protection Order. This is to discourage drinking alcohol in the street.

At this time there is not enough information to support this application.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The Police would ask that all premises licence conditions are carried over to support the time being requested in full.

Alcohol to end at 0300 hours and to close at 0330 minutes drink up period. The Police still find this difficult to accept due to recent complaints in the area.

The police would also ask that from 0200 hours there would be a strict no entry / re-entry policy.

No off sales

Dear Mr Moore

Environmental Protection has been consulted on the proposed TEN application for alcohol, regulated entertainment and late night refreshment between 02:00 and 04:00hrs.

Following a recent complaint about music and patron noise, current public nuisance concerns in the area and noise transmission to residential properties nearby which have previously been subject to a noise abatement notice – we will be recommending refusal.

The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event

Licensable activities proposed	The sale by retail of alcohol

Date and time objection notice given to Licensing Authority and the premises user	16/07/2016 00:18
<small>Must be within 72 hours of receipt - S104 (3) Licensing Act 2003</small>	

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,

The prevention of public nuisance,

This event is to take place when the road is closed for a specific event.

The area is covered by a Designated Place Protection Order. This is to discourage drinking in the street.

To allow this on a busy bank holiday weekend and with an extended area outside will not support the licensing objectives

At this time and therefore the police do not support this application.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The Police feel that the event should be confined to a fenced off area and that only drinks are consumed within the designated area. Not to allow the free movement of alcohol in a large evented area.

If an extension is sought it should be within the premises and current fenced outside area only. No extension to make the premises larger.

The Objection notice must be given to the Licensing Authority and copy to the premises user no later than 48 hours after the Chief of Police is given a copy of the temporary event notice - S104 (3) Licensing Act 2003.

This form must be returned within the Statutory Period.

S106 Licensing Act 2003 applies where a chief officer of police has given an objection notice and states that at any time before the hearing is held he may, with the agreement of the premises user, modify the temporary event notice by making changes to the notice returned to the premises user under Section 102.

The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event	
Date(s) of event	28/08/2016 TO 28/08/2016
Licensable activities proposed	The provision of regulated entertainment The sale by retail of alcohol

Date and time objection notice given to Licensing Authority and the premises user	15/07/2016 Must be within 72 hours of receipt - S104 (3) Licensing Act 2003

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,

The prevention of public nuisance,

This event is to take place when the road is closed for a specific event.

The new information that the premises appear not to have the full consent of KCC for the outside area.

To have a large tented area open until 0400 hours would also have a huge impact on the residential area.

To allow this to take place on a busy bank holiday weekend and with an extended area outside will not support the licensing objectives

There is limited information about this event at this time and therefore the police do not support this application.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The Police feel that the event should not be taking place outside under a tented area until potentially 0430 hours.

If an extension is sought it should be within the premises and current fenced outside area only. No extension to make the premises larger.

S106 Licensing Act 2003 applies where a chief officer of police has given an objection notice and states that at any time before the hearing is held he may, with the agreement of the premises user, modify the temporary event notice by making changes to the notice returned to the premises user under Section 102.

THANET DISTRICT COUNCIL DECLARATION OF INTEREST FORM

Do I have a Disclosable Pecuniary Interest and if so what action should I take?

Your Disclosable Pecuniary Interests (DPI) are those interests that are, or should be, listed on your Register of Interest Form.

If you are at a meeting and the subject relating to one of your DPIs is to be discussed, in so far as you are aware of the DPI, you **must** declare the existence **and** explain the nature of the DPI during the declarations of interest agenda item, at the commencement of the item under discussion, or when the interest has become apparent

Once you have declared that you have a DPI (unless you have been granted a dispensation by the Standards Committee or the Monitoring Officer, for which you will have applied to the Monitoring Officer prior to the meeting) you **must:-**

1. Not speak or vote on the matter;
2. Withdraw from the meeting room during the consideration of the matter;
3. Not seek to improperly influence the decision on the matter.

Do I have a significant interest and if so what action should I take?

A significant interest is an interest (other than a DPI or an interest in an Authority Function) which:

1. Affects the financial position of yourself and/or an associated person; or
Relates to the determination of your application for any approval, consent, licence, permission or registration made by, or on your behalf of, you and/or an associated person;
2. And which, in either case, a member of the public with knowledge of the relevant facts would reasonably regard as being so significant that it is likely to prejudice your judgment of the public interest.

An associated person is defined as:

- A family member or any other person with whom you have a close association, including your spouse, civil partner, or somebody with whom you are living as a husband or wife, or as if you are civil partners; or
- Any person or body who employs or has appointed such persons, any firm in which they are a partner, or any company of which they are directors; or
- Any person or body in whom such persons have a beneficial interest in a class of securities exceeding the nominal value of £25,000;
- Any body of which you are in a position of general control or management and to which you are appointed or nominated by the Authority; or

 - exercises functions of a public nature; or
 - is directed to charitable purposes; or
 - has as its principal purpose or one of its principal purposes the influence of public opinion or policy (including any political party or trade union)

An Authority Function is defined as: -

- Housing - where you are a tenant of the Council provided that those functions do not relate particularly to your tenancy or lease; or
- Any allowance, payment or indemnity given to members of the Council;
- Any ceremonial honour given to members of the Council
- Setting the Council Tax or a precept under the Local Government Finance Act 1992

If you are at a meeting and you think that you have a significant interest then you **must** declare the existence **and** nature of the significant interest at the commencement of the

matter, or when the interest has become apparent, or the declarations of interest agenda item.

Once you have declared that you have a significant interest (unless you have been granted a dispensation by the Standards Committee or the Monitoring Officer, for which you will have applied to the Monitoring Officer prior to the meeting) you **must:-**

1. Not speak or vote (unless the public have speaking rights, or you are present to make representations, answer questions or to give evidence relating to the business being discussed in which case you can speak only)
2. Withdraw from the meeting during consideration of the matter or immediately after speaking.
3. Not seek to improperly influence the decision.

Gifts, Benefits and Hospitality
