For Information

1.0 Introduction

- 1.1 The Crime and Disorder Act 1998 (updated in various other legislation since) placed a number of obligations on the Council and other 'responsible authorities' (County Council, Police, Fire, Probation, Health via Clinical Commissioning Groups) to form a Community Safety Partnership (CSP) that would enable agencies to work together to help impact upon crime and disorder, substance misuse and reduce re-offending in the local area. Thanet District Council facilitates the CSP on behalf of these agencies.
- 1.2 Each CSP is required to undertake a strategic needs assessment of all of the relevant data that partners collate and then pull this together into a strategy (the Community Safety Plan) that identifies priority issues and actions to try and resolve/reduce them.
- 1.3 The Community Safety Working Party is a statutory function for the Council to oversee progress of the 'responsible authorities' of the Community Safety Partnership who are Kent Police, Thanet District Council, Kent County Council, Thanet Clinical Commissioning Group, Kent Fire and Rescue and Local Probation Services. Each year a terms of reference is agreed with agencies and directs topics for discussion over the course of the year.
- 1.4 This report details the key topics for conversation at the meeting and how the working group are kept up to date on progress against the 2014-15 community safety plan.

2.0 Meeting topics

- 2.1 Working party members will hear a presentation about the draft Community Safety Plan for 2015-16. They will be handed a copy of the draft plan to look at and have the opportunity to make comments for amendments.
- 2.5 An update report will be considered by members of the working party to assess the progress of agencies against the 'Emerging Issues' and 'Actions' set out in this year's plan. This will detail how many of the actions are completed, underway or not started. Case studies will be shown of successful projects. To support this a draft 'end of year

report' has been circulated. It should be noted that partners have until 31st March for completion of projects and that statistical data will take a while to be analysed and so this is not indicative of the final outcome. The full report will be presented at the first meeting of the next Community Safety Working group when established.

- 2.6 Finally members will receive up to date statistics on Crime and Anti-Social Behaviour supplied by Kent Police.
