Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,
The prevention of public nuisance,

In recent weeks there has been a large increase of activity in this location. The police has also received noise complaints from local residents over the noise from the premises and close by late night refreshments premises.

This location is a high residential area and the impact of increasing the time the premises is being open will have a big impact.

There is no mention about SIA security being in place for this event. Is it a ticketed event? With being open later it will increase the footfall in this area when other premises are closing earlier. Is there any entry policy in place?

There is also no mention of a drink up period. This in itself will cause problems. The notice also indicates for off sales. So selling alcohol right up to the point of closure will potentially put a number of patrons out in a high residential area consuming alcohol.

The area concerned is covered by a DPPO – Designated Public Places Protection Order. This is to discourage drinking alcohol in the street.

At this time there is not enough information to support this application.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The Police would ask that all premises licence conditions are carried over to support the time being requested in full.

Alcohol to end at 0300 hours and to close at 0330 minutes drink up period. The Police still find this difficult to accept due to recent complaints in the area.

The police would also ask that from 0200 hours there would be a strict no entry / re-entry policy.

No off sales
