Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because .....

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,

The prevention of public nuisance,

This event is to take place when the road is closed for a specific event.

The area is covered by a Designated Place Protection Order. This is to discourage drinking in the street.

To allow this on a busy bank holiday weekend and with an extended area outside will not support the licensing objectives

At this time and therefore the police do not support this application.

Please use separate sheets where necessary

**Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:**

*Please use separate sheets where necessary. Consider s106 Licensing Act 2003.*

The Police feel that the event should be confined to a fenced off area and that only drinks are consumed within the designated area. Not to allow the free movement of alcohol in a large evented area.

If an extension is sought it should be within the premises and current fenced outside area only. No extension to make the premises larger.

The Objection notice must be given to the Licensing Authority and copy to the premises user no later than 48 hours after the Chief of Police is given a copy of the temporary event notice - S104 (3) Licensing Act 2003.

This form must be returned within the Statutory Period.

S106 Licensing Act 2003 applies where a chief officer of police has given an objection notice and states that at any time before the hearing is held he may, with the agreement of the premises user, modify the temporary event notice by making changes to the notice returned to the premises user under Section 102.
