Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because .....

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,  
The prevention of public nuisance.

This event is to take place on New Year's Eve. By allowing alcohol to be purchased in the very early hours for this evening where it is known that people consume more than normal to see in the new year, brings serious concerns for an extended period of time.

Allowing people to leave in the early hours after consuming alcohol on the street to possibly continue the celebration is cause for serious concern. Local residents have previously expressed concerns about the patron noise from this premises in the early hours. To allow this extension is unfair on the local residents trying to sleep.

No premises in Thanet are going to be supported to any extension for any evening past 0300 hours. This will also include New Year's Eve.

The police do not support this notice.

Please use separate sheets where necessary

**Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:**

*Please use separate sheets where necessary. Consider s106 Licensing Act 2003.*

The police do not support alcohol being sold or the premises being open past 0300 hours.

The Objection notice must be given to the Licensing Authority and copy to the premises user no later than 48 hours after the Chief of Police is given a copy of the temporary event notice - S104 (3) Licensing Act 2003.

This form must be returned within the Statutory Period.

S106 Licensing Act 2003 applies where a chief officer of police has given an objection notice and states that at any time before the hearing is held he may, with the agreement of the premises user, modify the temporary event notice by making changes to the notice returned to the premises user under Section 102.

Hi Jane

Environmental Health are objecting to the TEN application to extend activities on NYE until 5am. In Chris' absence I have reviewed our complaints history and note that there have been noise issues with the premises; Chris may subsequently, in the light of additional background information alter our position.

Kind regards
