Chief Officer of Police Objection Notice in relation to a **Temporary Event Notice** given under Part 5 Section 100 Licensing Act 2003 (S104 Licensing Act 2003)

Details of person making objection	
Name of Chief Officer of Police	Sharon Adley
Postal Address: (Area Headquarters)	Margate Police Station Fort Hill Margate CT9 1HL
E-mail address	██████████@kent.pnn.police.uk
Telephone Number:	01843 ██████████

The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event	
Date(s) of event	06/12/2016 to 12/12/2016
Licensable activities proposed	The sale by retail of alcohol
Hours of licensable activities	0930 to 1930
Name of Premises:	Westwood Cross
Address of premises:	Margate Road Broadstairs Thanet CT10 2BF
Date and time TEN received by police	01/11/2016
Date and time objection notice given to Licensing Authority and the premises user	02/11/2016

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are rejecting this application as it does not believe it will cover the following licensing objectives.

The prevention of crime and disorder,

The prevention of public nuisance,
The protection of children from harm.

The temporary event notice's submitted provide very little information on how this temporary event is going to be managed.

The location for this mobile bar is described as outside Primark retail premises.

The notice lists the sale by retail of alcohol for ON sales. However there is no plan on how they are going to manage this. Being a mobile bar for ON sales the drinks will not be able to leave this premise. Is there going to be a fenced off area which they plan to use where the alcohol is to be sold. Has the notice been completed incorrectly and it is for OFF sales which would allow patrons to move freely around Westwood Cross consuming alcohol?

The notice also lists the plan to sell craft beer and spirits. The location and time of year for this mobile bar is a serious concern. High percentage ABV being sold where it is at a location where patrons would most likely have driven to the location. This could then cause an increase in potential drink driving related incidents.

If the plan is to allow the free movement of the alcohol after it has been sold how is the applicant going to protect children from harm? How is proxy selling going to be managed? What if a person purchases alcohol, goes into a shop and leaves the vessel outside. Any person could pick that up and consume it. Possible someone under age.

This location is one of the busiest areas in the run up to Christmas. By allowing the sale of alcohol all day causes the Police concerns against the licensing objectives. The notice is also only for 150 people where during this time thousands could be at the location.

There is limited information about this event at this time and therefore the police do not support this application.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The police feel that if the event went ahead then it should be more controlled.

The Police do not feel it will work as ON sales due to being a mobile bar. A fenced off area where the alcohol is purchased and consumed should be put in place. No alcohol to leave this area. This will protect the free movement of alcohol around Westwood Cross.

Thanet is still covered by a DPPO where alcohol cannot be consumed in a public place.

By have a designated area will assist in allowing the applicant to control the numbers they are requesting. Without this it would be impossible to manage it to 150 people.

Due to the time of year only Mulled wine should be sold. By allowing spirits and craft beer at this location do not support the licensing objectives.
