1.0 Introduction and Background

- 1.1 Application has been made by Miles Robert Wiseman for variation of a premises licence described as 'at present the licence runs till 3 a.m with the building being empty by 3.30 a.m. The variation would move the 3 a.m to 4 a.m for food and drink sales with the premises being empty at 4.30 a.m. The music will revert to background music from 3 a.m till 4.30 a.m so there is a wind down/slow down place for the more mature customer to go in Thanet. The reasons are delivered by an older large population in Ramsgate of 'DFL's' who expect a more varied timed evening previously had in London'.
- 1.2 The Operating Schedule, showing the proposed variation to hours is appended at Annex 1.
- 1.3 These premises were granted a premises licence in May 2014 which remains in force. This licence was last varied in March 2016. A copy of that licence and conditions are appended at Annex 2. The designated premises supervisor is Miles Robert Wiseman.

2.0 General Points

- 2.1 Applicants for variation of a premises licence are required, as part of the licensing procedure, to display a public notice which provides information to the public regarding the manner in which objection may be made. Similarly, public notice of the application should be published in a local newspaper circulating in the vicinity of the premises. These requirements appear to have been complied with. No public objections have been received.
- 2.2 The applicant is further required to give notice of the application to responsible authorities. Kent Police and Environmental Health have made representations which are appended at Annex's 3 and 4.
- 2.3 The Licensing Sub-Committee will be aware that it must carry out its functions under the 2003 Licensing Act to take steps which are appropriate for the promotion of the licensing objectives. The Licensing objectives are:- the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm. In carrying out its licensing functions, the Licensing Sub-Committee must also have regard to its statement of licensing policy and the Guidance issued under the Act.
- 2.4 The four licensing objectives are the matters the Licensing Sub-Committee must address when considering whether to grant or refuse the application. Each application should be considered on its merits. Reasons must be given for any decision made by the Sub-Committee.
- 2.5 The application should be determined within twenty working days beginning with the day after the end of the period during which representations may be made. Representations had to be made by the 6th November.

3.0 Options

- 3.1 Grant the application with conditions consistent with the Operating Schedule accompanying the application.
- 3.2 Grant the application with different conditions.

3.3 Refuse the application.
