**Please give the reason for the representation and detail the evidence supporting it:**

This new application, a premises licence for Victoria Restaurant in Ramsgate is not being supported by the Police.

The main issue is that there are areas of concern which have not been answered by the applicant. The applicant has been emailed numerous times to answer the concerns

The premises is in a location that is not too far from the busiest night time economy in Thanet and this is why the police have concerns.

The hours being requested do not allow a suitable drink up time which the police feel needs addressing. Also due to the location not enough information about the CCTV system installed.

Without these points being covered the police do not believe the licensing objectives are being met.

The police do not support this application.

**Suggested conditions that could be added to the licence to remedy the representation or other suggestions the Licensing Sub Committee may take into account:**

*Please use separate sheets where necessary*

If a licence was to be granted then the following conditions would be strongly recommended.

1. Sale by retail of alcohol to end at 22:30 hours. This is to allow a drinking up period for your customers.
2. I would suggest that all entertainment also ends at this time.
3. CCTV that you have installed has a minimum of a 30 day record function. Cameras to be placed inside and overlooking the entrance to the premises. At least one member of staff on duty to understand how to use the CCTV system. Copies made to the police and local authority upon request.
4. Clear signage that drinks cannot be taken outside as you are only asking for On sales.
