THE THANET DISTRICT COUNCIL

RECORD OF DECISION OF CABINET

Name of Cabinet Member:

Relevant Portfolio

Date of Decision:

Subject:

Key Decision In Forward Plan

Brief summary of matter:

On the 13th November 2014 the Cabinet of the Council resolved that the control room be retained in the medium term at its current location but with financial provision made to co-locate it and a tender exercise undertaken for the replacement of the control system, cameras, and mobile CCTV equipment.

This report now seeks approval from Cabinet for the required option to achieve the above.

Decision made:

Cabinet agreed Option 4 which is summarised below as follows:

“To go into a partnership with BT for them to be responsible for all camera upgrades including equipment and network, maintenance and transmission costs. Canterbury City Council to monitor our cameras in their control centre at Canterbury.”

Reasons for decision:

Option 4 is pursued as it provides the best value for money and the most stable and sustainable for the CCTV service over future years.

Alternatives considered and why rejected:

Options 1, 2 & 3 were considered but option 4 is the best option.

Details of any conflict of interest declared by any executive Member who has been consulted and of any dispensation granted by the Standards Committee:

None

Author of Officer report:

Trevor Kennett, Interim Head of Operational Services

Background papers

Future Options for the Council's Closed Circuit Television service
