Date of Decision:

16 November 2017

Subject:

Public Spaces Protection Order (PSPO) for Alcohol Control

Key Decision

Yes

In Forward Plan

Yes

Brief summary of matter:

The ASB, Crime & Policing Act 2014 requires a feedback exercise is undertaken to establish public support prior to the making of any Public Spaces Protection Order.

Decision made:

To approve the feedback exercise and proposed order.

Reasons for decision:

To enable Thanet District Council and Kent Police to have additional enforcement capability with regards to alcohol related anti-social behaviour within the district.

Alternatives considered and why rejected:

No longer having restrictions or the ability to enforce alcohol related anti-social behaviour would restrict the council and police's ability to manage these issues.

Feedback from the public at Neighbourhood Engagement Meetings is that this is something they would like to see greater management of nuisance.
