RECORD OF DECISION OF CABINET

Cabinet Member

Councillor Lesley Ann Game

Relevant Portfolio:

Cabinet Member for Housing and Safer Neighbourhoods

Date of Decision:

29 January 2019

Subject:

Contaminated Land Strategy - Revised Oct. 2018

Key Decision

No

In Forward Plan

Yes

Brief summary of matter:

A report on the revised Contaminated Land Strategy 2018-2023.

Decision made:

Cabinet approved the Contaminated Land Strategy 2018-2023.

Reasons for decision:

The statutory guidance requires local authorities to review their contaminated land strategies from time to time. The revised Contaminated Land Strategy 2018-2023 has been approved as it ensures compliance with current best practice guidance and reflects the existing position of the Council.

Alternatives considered and why rejected:

The options to not adopt the revised Contaminated Land Strategy 2018-2023 or to Approve the Contaminated Land Strategy 2018-2019 with changes were considered. However these options were rejected as, respectively, they place the authority at risk of challenge from government (Option 3.3) and do not require further amendment (Option 3.2).
