NOTES

1. Everyone is welcome to record meetings of the Council and its Committees using whatever non-disruptive methods you think are suitable. If you are intending to do this please mention it to the Democratic Services Officer and do not use flash photograph unless you have previously asked whether you may do so. If you have any questions about this please contact Democratic Services (members of the press please contact the Press Office).

Please note that the Chair of the meeting has the discretion to withdraw permission and halt any recording if in the Chair's opinion continuing to do so would prejudice proceedings at the meeting. Reasons may include disruption caused by the filming or recording or the nature of the business being conducted.

Anyone filming a meeting is asked to only focus on those actively participating but please also be aware that you may be filmed or recorded whilst attending a council meeting and that attendance at the meeting signifies your agreement to this if it occurs. You are also reminded that the laws of defamation apply and all participants whether speaking, filming or recording are reminded that respect should be shown to all those included in the democratic process.

Persons making recordings are requested not to put undue restrictions on the material produced so that it can be reused and edited by all local people and organisations on a noncommercial basis. If a meeting passes a motion to exclude the press and public then, in conjunction with this, all rights to record the meeting are removed.

2. The venue for the meeting is wheelchair accessible and has an induction loop to help people who are hearing impaired.
3. The information contained within this agenda is available in other formats, including Braille, large print, audio cassettes and other languages.
