188. R07 - FH/TH/17/0382 - 49 WELLIS GARDENS, MARGATE

PROPOSAL: Retrospective application for the erection of a single storey outbuilding to front/side garden

Speaking in favour of the application was Mr Elvidge.

Speaking as ward councillor was Councillor Curran.

It was proposed by the Chairman and seconded by Councillor Partington:

“THAT the officer’s recommendation be adopted, namely:

‘That the application be REFUSED for the following reasons:

1 The outbuilding, by virtue of its height, design, materials and location would appear obtrusive and incongruous to the street scene, unrelated to the existing open appearance of the area and severely detrimental to the visual amenities of the locality, contrary to Thanet Local Plan Policy D1 and paragraphs 17, 58 and 64 of the National Planning Policy Framework.”

Following debate, the motion was put to the vote and declared LOST.

Then it was proposed by Councillor Partington and seconded by Councillor Tomlinson:

“That the application be APPROVED for the following reasons:

“It is considered that the application does not cause any harm to the character and appearance of the area, and therefore is not contrary to Thanet Local Plan Policy D1.”

PROPOSAL: Erection of two storey rear extension

Speaking in favour was Mr Burgess.

It was proposed by the Chairman and seconded by Councillor Partington:

“THAT the officer’s recommendation be adopted, namely:

‘That the application be REFUSED for the following reason:

- 1 The proposed extension, by virtue of its location, scale and height would result in an overbearing impact and sense of enclosure to 19 Farrar Road, significantly detrimental to the living conditions of the adjoining residents, contrary to policy D1 of the Thanet Local Plan and paragraph 17, 56 and 61 of the National Planning Policy Framework.”

Following debate, the motion was put to the vote and declared LOST.

Then it was proposed by Councillor Partington and seconded by Councillor Tomlinson:

“That the application be APPROVED for the following reasons:

‘There would be no substantial harm to amenity of the neighbouring property, and therefore is not contrary to Thanet Local Plan Policy D1.’

Upon being put to the vote, the motion was declared CARRIED.

15 Prior to the commencement of development hereby permitted, a detailed sustainable surface water drainage scheme for the site has been submitted to (and approved in writing by) the local planning authority. The detailed drainage scheme shall demonstrate that the surface water generated by this development (for all rainfall durations and intensities up to and including the climate change adjusted critical 100yr storm) can be accommodated within the site boundary and disposed of via infiltration. The drainage scheme shall also demonstrate that silt and pollutants resulting from the site use can be adequately managed to ensure there is no pollution risk to receiving waters.

GROUND:

To ensure that the principles of sustainable drainage are incorporated into this proposal, to ensure ongoing efficiency of the drainage provisions, to protect vulnerable groundwater resources and ensure compliance with the National Planning Policy Framework.

16 Prior to the first occupation of the development hereby permitted, details of the implementation, maintenance and management of the sustainable drainage scheme have been submitted to and approved in writing by the local planning authority. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include:

- i) a timetable for its implementation, and
- ii) a management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage system throughout its lifetime.

GROUND:

To ensure that the principles of sustainable drainage are incorporated into this proposal, to ensure ongoing efficiency of the drainage provisions, to protect vulnerable groundwater resources and ensure compliance with the National Planning Policy Framework.

17 No infiltration of surface water drainage into the ground is permitted other than with the express written consent of the Local Planning Authority, which may be given for those parts of the site where it has been demonstrated that there is no resultant unacceptable risk to controlled waters. The development shall be carried out in accordance with the approval details.

GROUND:

To ensure that the principles of sustainable drainage are incorporated into this proposal, to ensure ongoing efficiency of the drainage provisions, to protect vulnerable groundwater resources and ensure compliance with the National Planning Policy Framework.

18 Prior to the commencement of works hereby permitted (including vegetation clearance) a detailed reptile mitigation strategy shall be submitted to and approved in writing by the Local Planning Authority. The mitigation strategy shall include the following:

- Reptile Survey of donor and receptor site
- Map showing location of receptor site
- Information confirming that the receptor site will be managed in perpetuity for reptiles
- Details of enhancements required to enhance the receptor site
- Translocation methodology
- Timetable of when works are to be carried out.

Works shall be carried out in accordance with the approved mitigation strategy.

GROUND:

In order to safeguard protected species that may be present within the site, in accordance with the NPPF.”

191. PLANNING COMMITTEE MINUTES - 15TH MARCH 2017

The Planning Applications Manager outlined the report.

It was proposed by the Chairman and seconded by the Vice Chairman:

“That the officer’s recommendation be adopted, namely:

2.1 The Planning Committee reconfirm that planning application - F/TH/16/0924 – Land formerly used as Club union Convalescent Home, Reading Street was refused on the 15 March 2017 due to both the reasons outlined at paragraph 1.1 of this report namely:

1. The proposed development, by virtue of the number, location and design of the residential units, would appear out of keeping with the surrounding pattern of development, and severely detrimental to the historic character and appearance of the adjacent Conservation Area, contrary to Policy D1 of the Thanet Local Plan, and paragraphs 17, 58, 60 and 64 of the National Planning Policy Framework.
2. The applicant has failed to enter into a legal agreement to secure 30% affordable housing, and the delivery of the necessary planning obligations required in order to mitigate the impacts of the proposed development on the local infrastructure and make the development acceptable in all other respects. The application is therefore contrary to Policies CF2, H14 and SR5 of the Thanet Local Plan and the National Planning Policy Framework.”

Upon being put to the vote, the motion was declared CARRIED.
