JOINT TRANSPORTATION BOARD

Minutes of the meeting held on 12 December 2017 at 7.00 pm in Council Chamber, Cecil Street, Margate, Kent.

Present: Councillor Gary Taylor (Chairman); Councillors Binks (Kent County

Councillor - Broadstairs), K Coleman-Cooke (Thanet District Council), Crow-Brown (Thanet District Council), Johnston (Thanet District Council), M Saunders (Thanet District Council), Dawson (Kent County Council - Birchington & Rural), Lewis (Kent County

Council - Margate) and King (Thanet Area Committee).

In Attendance: Councillors D Saunders and Shonk.

1. APOLOGIES FOR ABSENCE

Apologies were received from Councillors Constantine, Connor, Game and Messenger.

2. DECLARATIONS OF INTEREST

There were no declarations of interest.

3. MINUTES OF PREVIOUS MEETING

Councillor Johnston proposed, Councillor Crow-Brown seconded and Members agreed the minutes to be a correct record of the meeting held on 14 September 2017.

4. DRAFT THANET TRANSPORT STRATEGY

Mr Wraight, Principal Transport and Development Planner, introduced the report highlighting that the Strategy would form part of the Local Plan. The main element was an inner circuit of new and upgraded roads. Mr Wraight offered a brief description of the key elements of the proposed inner circuit and noted that it was expected that the main infrastructure projects would be mainly funded by developers and external funding bids.

During consideration of the item it was noted that:

- Bus links to medical services such as doctors surgeries should be considered a priority.
- It was expected that these proposals could offer better access to bus services for some parts of the District as new commercially viable bus routes may become available.
- If there were changes to the Local Plan, consideration would be given as to what changes to the draft Transport Strategy might be required.
- There appeared to be a number of proposals to support the Westwood Cross area, however consideration should be given to improving access to the District's town centres, such as Broadstairs.
- Existing parking in the District could be better sign posted which could increase its use.
- There was recognition that the Strategy should be balanced and include walking and cycling provisions.
- It was important to be in a position to apply for external funding as soon as it became available. This approach had led to successful bids in the past.
- There was an Infrastructure Delivery Plan on Thanet District Council's website that identified what infrastructure would be required, such as doctors, schools and roads, and what funding would be needed.

- The Strategy ran until 2031 and had the potential for interim reviews.
- Mr Valek would make enquires and respond to Councillor Lewis after the meeting regarding a reduction in the speed limit along New Street, Margate.

It was proposed by Councillor Crow-Brown and seconded by Councillor Johnston that:

'JTB endorse the document for an initial public consultation exercise and subsequent consideration through the examination of the Thanet Local Plan process.'

Following a vote, the motion was agreed.

5. THANET HIGHWAY WORKS PROGRAMME 2017/18

Mr Valek, District Manager, KCC Highways, Transportation and Waste Service introduced the report which provided an update on schemes approved for construction in 2017/18

During consideration of the item it was noted that:

- Three areas for machine resurfacing had been programmed for March 2018 as the work required suitable weather conditions.
- Mr Valek expected to have an update regarding the drainage works at All Saints Avenue, Margate available for the next JTB meeting.
- The replacement of a street light in the High Street, Margate had been completed.
- Minster Parish Council had advised the street lighting team that a light was out on the roundabout at Tothill Street, Minster. The roundabout had also been identified as a potential location where people drove at excessive speed and crash remedial measures were being considered.

The report was noted.

6. LOCAL WINTER SERVICE PLAN

Paul Valek introduced the Plan noting that it was produced each year and outlined arrangements between Kent County Council and Thanet District Council, to provide local winter service in the event of an operational snow alert.

During consideration of the item it was noted that:

- During a snow event operational staff from TDC's Dane Park Depot helped to clear foot paths. Hand salting of footpaths was very labour intensive.
- There were five local farmers who had six routes to snow plough.
- The winter service plan was ready for implementation from the middle of October until the end of April each year.

Members noted the report.

Parking Places for Disabled Persons Vehicles – Thanet Various

Joint Transportation Board 7 June 2018

Report Author Uniformed Services Enforcement Manager

Portfolio Holder Cllr Rosanna Taylor-Smith Cabinet Member for Operational

Services

Status For Recommendation

Classification: Unrestricted

Key Decision No

Ward: Across the District - Various

Executive Summary:

To report upon the request to provide parking places for disabled persons vehicles in Thanet.

Recommendation(s):

Members are requested to recommend option 1 - that the parking places for disabled person's vehicles as listed in annex 1 would be exposed for formal public consultation.

That the proposals which require statutory consultation are advertised, and that any traffic related objections are reported back to a future meeting of the Board.

The proposed disabled person's parking bays have been requested by local residents to assist them in parking nearer their property where suitable off street parking is not available. The bays can be used by any disabled person who has a blue badge.

The proposals further aims two and three of the Public Sector Equality Duty in advancing the equality of opportunity by meeting the needs of persons with a protected characteristic. There is also the opportunity to foster good relations, through the dialogue between officers and residents and understanding and meeting the needs of those with disabilities.

By advertising the disabled drivers parking bays as part of the Traffic Regulation Order making process the Order can be made, a sign can be erected and the bay will be legal and can be enforced. This will benefit all holders of blue badges and give them greater independence to lead their lives.

The proposals will be subject to public consultation and all comments will be considered by officers, with due regard given to comments relevant to the Public Sector Equality Duty. If any changes are made to the current legislation or parking areas we will review our impact assessment.

1.0 Introduction and Background

- 1.1 Kent County Council, as traffic authority, has the power to designate part of the highway as an on-street parking place and control the type of vehicle and the terms and conditions of its use under the Road Traffic Regulation Act 1984, Sections 32 and 35.
- 1.2 Therefore, Thanet District Council, acting on behalf of Kent County Council can provide special parking bays on streets for disabled people who have substantial difficulties in walking and parking in the vicinity of their property.

2.0 The Current Situation

- 2.1 Five applications for a parking place for disabled person's vehicle have been processed and it has been agreed that an interim parking place has been introduced. This means that the bay is marked on the road but will not be legal and therefore cannot be enforced.
- 2.2 Once a legal Traffic Regulation Order is made a sign is erected and the bay is legal and can be enforced.
- 2.3 Five applications for parking place for disabled person's vehicle have been agreed and are listed in annex 1.
- 2.4 If Members endorse the recommendations, the bays will be formally advertised in the usual way for public comment/objection. A notice is placed in a free local newspaper and notices are placed 'on street'. If objections are received on traffic related matters they will be referred to Members who will recommend whether to amend, abandon or introduce the parking place for disabled person's vehicle as advertised.

3.0 Options

- 3.1 1 Advertise The parking places for disabled persons vehicle as listed in annex 1 would be exposed for formal public consultation.
- 3.2 2 Take no further action The parking places for disabled persons vehicle as listed in annex 1 would not be exposed for formal public consultation and therefore could not be enforced.

4.0 **Next Steps**

4.1 That the proposals as list in appendix 1 are advertised for public consultation and that any traffic related objections are reported back to a future meeting of the Board.

THANET DISTRICT COUNCIL DECLARATION OF INTEREST FORM

Do I have a Disclosable Pecuniary Interest and if so what action should I take?

Your Disclosable Pecuniary Interests (DPI) are those interests that are, or should be, listed on your Register of Interest Form.

If you are at a meeting and the subject relating to one of your DPIs is to be discussed, in so far as you are aware of the DPI, you <u>must</u> declare the existence **and** explain the nature of the DPI during the declarations of interest agenda item, at the commencement of the item under discussion, or when the interest has become apparent

Once you have declared that you have a DPI (unless you have been granted a dispensation by the Standards Committee or the Monitoring Officer, for which you will have applied to the Monitoring Officer prior to the meeting) you **must:**-

- 1. Not speak or vote on the matter;
- 2. Withdraw from the meeting room during the consideration of the matter;
- 3. Not seek to improperly influence the decision on the matter.

Do I have a significant interest and if so what action should I take?

A significant interest is an interest (other than a DPI or an interest in an Authority Function) which:

- Affects the financial position of yourself and/or an associated person; or Relates to the determination of your application for any approval, consent, licence, permission or registration made by, or on your behalf of, you and/or an associated person;
- 2. And which, in either case, a member of the public with knowledge of the relevant facts would reasonably regard as being so significant that it is likely to prejudice your judgment of the public interest.

An associated person is defined as:

- A family member or any other person with whom you have a close association, including your spouse, civil partner, or somebody with whom you are living as a husband or wife, or as if you are civil partners; or
- Any person or body who employs or has appointed such persons, any firm in which they
 are a partner, or any company of which they are directors; or
- Any person or body in whom such persons have a beneficial interest in a class of securities exceeding the nominal value of £25,000;
- Any body of which you are in a position of general control or management and to which you are appointed or nominated by the Authority; or
- any body in respect of which you are in a position of general control or management and which:
 - exercises functions of a public nature; or
 - is directed to charitable purposes; or
 - has as its principal purpose or one of its principal purposes the influence of public opinion or policy (including any political party or trade union)

An Authority Function is defined as: -

- Housing where you are a tenant of the Council provided that those functions do not relate particularly to your tenancy or lease; or
- Any allowance, payment or indemnity given to members of the Council;
- Any ceremonial honour given to members of the Council
- Setting the Council Tax or a precept under the Local Government Finance Act 1992

If you are at a meeting and you think that you have a significant interest then you <u>must</u> declare the existence **and** nature of the significant interest at the commencement of the

matter, or when the interest has become apparent, or the declarations of interest agenda item.

Once you have declared that you have a significant interest (unless you have been granted a dispensation by the Standards Committee or the Monitoring Officer, for which you will have applied to the Monitoring Officer prior to the meeting) you **must:-**

- Not speak or vote (unless the public have speaking rights, or you are present to make representations, answer questions or to give evidence relating to the business being discussed in which case you can speak only)
- 2. Withdraw from the meeting during consideration of the matter or immediately after speaking.
- 3. Not seek to improperly influence the decision.

Gifts, Benefits and Hospitality

Councillors must declare at meetings any gift, benefit or hospitality with an estimated value (or cumulative value if a series of gifts etc.) of £25 or more. You **must**, at the commencement of the meeting or when the interest becomes apparent, disclose the existence and nature of the gift, benefit or hospitality, the identity of the donor and how the business under consideration relates to that person or body. However you can stay in the meeting unless it constitutes a significant interest, in which case it should be declared as outlined above.

What if I am unsure?

If you are in any doubt, Members are strongly advised to seek advice from the Monitoring Officer or the Committee Services Manager well in advance of the meeting.
