Do I have a Disclosable Pecuniary Interest and if so what action should I take?

Your Disclosable Pecuniary Interests (DPI) are those interests that are, or should be, listed on your Register of Interest Form.

If you are at a meeting and the subject relating to one of your DPIs is to be discussed, in so far as you are aware of the DPI, you **must** declare the existence **and** explain the nature of the DPI during the declarations of interest agenda item, at the commencement of the item under discussion, or when the interest has become apparent

Once you have declared that you have a DPI (unless you have been granted a dispensation by the Standards Committee or the Monitoring Officer, for which you will have applied to the Monitoring Officer prior to the meeting) you **must**:-

1. Not speak or vote on the matter;
2. Withdraw from the meeting room during the consideration of the matter;
3. Not seek to improperly influence the decision on the matter.

Do I have a significant interest and if so what action should I take?

A significant interest is an interest (other than a DPI or an interest in an Authority Function) which:

1. Affects the financial position of yourself and/or an associated person; or
Relates to the determination of your application for any approval, consent, licence, permission or registration made by, or on your behalf of, you and/or an associated person;
2. And which, in either case, a member of the public with knowledge of the relevant facts would reasonably regard as being so significant that it is likely to prejudice your judgment of the public interest.

An associated person is defined as:

- A family member or any other person with whom you have a close association, including your spouse, civil partner, or somebody with whom you are living as a husband or wife, or as if you are civil partners; or
- Any person or body who employs or has appointed such persons, any firm in which they are a partner, or any company of which they are directors; or
- Any person or body in whom such persons have a beneficial interest in a class of securities exceeding the nominal value of £25,000;
- Any body of which you are in a position of general control or management and to which you are appointed or nominated by the Authority; or
- any body in respect of which you are in a position of general control or management and which:
 - exercises functions of a public nature; or
 - is directed to charitable purposes; or
 - has as its principal purpose or one of its principal purposes the influence of public opinion or policy (including any political party or trade union)

An Authority Function is defined as: -

- Housing - where you are a tenant of the Council provided that those functions do not relate particularly to your tenancy or lease; or
- Any allowance, payment or indemnity given to members of the Council;
- Any ceremonial honour given to members of the Council
- Setting the Council Tax or a precept under the Local Government Finance Act 1992

If you are at a meeting and you think that you have a significant interest then you **must** declare the existence **and** nature of the significant interest at the commencement of the matter, or when the interest has become apparent, or the declarations of interest agenda item.

Once you have declared that you have a significant interest (unless you have been granted a dispensation by the Standards Committee or the Monitoring Officer, for which you will have applied to the Monitoring Officer prior to the meeting) you **must:-**

1. Not speak or vote (unless the public have speaking rights, or you are present to make representations, answer questions or to give evidence relating to the business being discussed in which case you can speak only)
2. Withdraw from the meeting during consideration of the matter or immediately after speaking.
3. Not seek to improperly influence the decision.

Gifts, Benefits and Hospitality

Councillors must declare at meetings any gift, benefit or hospitality with an estimated value (or cumulative value if a series of gifts etc.) of £25 or more. You **must**, at the commencement of the meeting or when the interest becomes apparent, disclose the existence and nature of the gift, benefit or hospitality, the identity of the donor and how the business under consideration relates to that person or body. However you can stay in the meeting unless it constitutes a significant interest, in which case it should be declared as outlined above.

What if I am unsure?

If you are in any doubt, Members are strongly advised to seek advice from the Monitoring Officer or the Committee Services Manager well in advance of the meeting.

If you need to declare an interest then please complete the declaration of [interest form](#).

Public Memorials

Memorials Working Party	30 September 2020
Report Author	Director of Corporate Governance
Portfolio Holder	n/a
Status	For Recommendation
Classification:	Unrestricted
Key Decision	No
Ward:	All Wards

Executive Summary:

The purpose of this report is to enable the Overview and Scrutiny Panel to review the schedules of memorials etc. to gain an understanding of the type and style of public memorials in Thanet. This review includes street and building names and other monuments in the district.

Then recommend to the Overview and Scrutiny Panel and to the Executive:

1. A draft system, process or criteria for reviewing memorials (e.g. statues, plaques, road-names and similar matters), to help to determine whether (if requested) a decision should be taken to either remove them or carry out some other act.

The Working Party may want to consider whether it needs advice, guidance or information from witnesses or consider best practice from other public bodies to assist its deliberations. That might include:

- Identifying existing ways of assessing memorials (e.g. the Public Sector Equality Duty)
- Identifying other criteria
- Identifying and seeking views of external experts or interested parties.

Recommendation(s):

1. The Working party considers, develops and recommends a draft system, process or criteria for reviewing memorials, to help to determine whether (if requested) a decision should be taken to either remove them or carry out some other act;
2. Forward that draft system etc. to the Overview and Scrutiny Panel for consideration.

Corporate Implications

Financial and Value for Money

There are no financial or value for money implications related to this report.

Legal

In undertaking any future review, consideration needs to be given to the Public Sector Equality Duty under section 149 of the Equality Act 2010.

is contained

- Section 64 and 65 of the Town Improvement Clauses Act 1847;
- Section 160 of the Public Health Act 1875;
- Section 21 of the Public Health Act 1907;
- Section 17, 18 and 19 of the Public Health Act 1925;
- The Local Government Act 1972.

In some cases planning permission or listed building consent may be required.

Corporate

There are no corporate implications that are not included elsewhere in the report.

Equality Act 2010 & Public Sector Equality Duty

The active consideration of the three 'limbs' of the PSED are clearly very important in this matter. They are to :

(i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act,

(ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and

(iii) foster good relations between people who share a protected characteristic and people who do not share it.

The protected characteristics are: age, sex, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

CORPORATE PRIORITIES

- Communities

1.0 Introduction and Background

1.1 At the Overview and Scrutiny Panel on the 21 July 2020 the Panel agreed to set up

a working party to consider the issues relating to the establishment of the council policy on criteria for reviewing street and building names and other monuments in the district.

- 1.2 This report is not about any particular street and building name or monument. It is about the criteria which the Working Party think that the Executive could take into account in any Thanet wide review of the relevance, suitability and acceptability of such street and building names or monuments.
- 1.2 It is anticipated that the Working Party would have a general discussion about this matter from which guidance criteria can be recommended.
- 1.3 The Working Party should also identify whether it requires additional evidence, witnesses or other information to assist it.
- 1.4 In the appendices are lists of the public memorials in Thanet.

2.0 Issues raised at the Overview and Scrutiny Panel

- 2.1 The Working Party may wish to consider the points raised at the Overview and Scrutiny Panel, which were:
 - This was a significant issue;
 - It was important to consider as a community and as a society what the priorities are and how the community recognised and respected its members;
 - How society viewed its history is important, particularly if that involved recognising those communities who have been affected by racism;
 - The equality legislation should guide the work of the council in addressing this issue, particularly the aims contained in Section 149 of the Equality Act 2010;
 - One of the criteria to consider was the time in which people lived, what they did the effect on society at that time;
 - Society should not hide their history. Instead the plaques should be left where they were and inform people what this was about and let people make up their own minds;
 - Public involvement in the decision making for addressing this issue is important;
 - Displaying in a museum is not necessarily an endorsement. However displaying something out in the community appears to be an endorsement;
 - It is important to speak to those groups of society that are affected by this issue.

3.0 Next Steps

- 3.1 Criteria etc. will be drafted for consideration by the Overview and Scrutiny Panel and the Executive for any review of public memorials.

- 3.2 The working party should report back any recommendations to the Overview and Scrutiny Panel by the end of October 2020, for onward submission to Cabinet.

Originally a toll gate for the East Cliff Esplanade, middle-class Victorian gentry would pay for the privilege to promenade in their finery along this once exclusive clifftop walk.

On this site stood part of the large brewery complex of Thomson & Wotton. The oldest records of land owned by the Tomson family in Ramsgate date back to 1554.

This was the location of many military installations in the Napoleonic Wars and both World Wars. Large gun emplacements, batteries, and fortifications were sited for the Second World War, including HMS Ferret, an underground Royal Navy headquarters.

These plaques were given out as special awards for the exceptional amount of time and effort that was put in by these three volunteers.
