

FORWARD PLAN AND EXEMPT CABINET REPORT LIST

8 FEBRUARY 2023 TO 31 JULY 2023

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 requires the Council to give 28 clear days' notice of any key decision or of any reports which the Cabinet intends to consider in private session.

Key decisions

A key decision is an executive decision (taken by cabinet or by an individual Cabinet member on cabinet's behalf):

- 1) Which involves the incurring of expenditure, or the making of savings, by the Council, which are anticipated to be £250,000 or above. The exception to this rule being where approval has previously been received to incur that expenditure by the Executive, notwithstanding criterion 3; or
- 2) Where the Council is entering into a contractual obligation with a value of £750,000 or above; or
- 3) For the acquisition or disposal of land or property with a value of £750,000 or above; or
- 4) Where the effect would be on communities living or working in the district, in an area comprising two or more wards. However, decisions that impact on communities living or working in one ward will be treated as "key" if the impact is likely to be very significant.

If an executive decision does not fall into any of the above categories, it is included as non-key. Thanet District Council also includes in its published Forward Plan decisions affecting Policy Framework and Budget Setting. Other Council decisions may also be included if they have a significant impact on communities. In such cases, the decision type will be denoted as "other".

Reports to be considered in private session

The second last column of the Plan indicates where a report is likely to contain exempt information and result in the public and press being asked to leave the meeting for the consideration of the whole or part of the item.

If you wish to make any representations relating to a proposal to hold part of a meeting in private due to the potential disclosure of exempt information, please contact Nicholas Hughes, Committee Services Manager, PO Box 9, Cecil Street, Margate, Kent CT9 1XZ, nicholas.hughes@thanet.gov.uk, telephone number 01843 577208, at least 14 calendar days before the date of that meeting.

At least 5 clear (working) days before the meeting, the Council will publish on its website a notice giving details of representations received about why the meeting should be open to the public and a statement of its response.

The Plan represents a snapshot of decisions in the system as at the date of publication. It is updated 28 clear days before each meeting of Cabinet. The Plan is available for inspection at all reasonable hours free of charge at Thanet Gateway Plus, Cecil Street, Margate, Kent CT9 1RE.

Availability of documents

Subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed in the Plan will be available from Thanet Gateway Plus, Cecil Street, Margate, Kent CT9 1RE. Other documents relevant to those matters may be submitted to the decision makers; if that is the case, details of the documents as they become available can be requested by telephoning Democratic Services on 01843 577500 or by emailing committee@thanet.gov.uk.

The documents listed in the Plan will be published on the Council's website at least five clear (working) days before the decision date. Other documents will be published at the same time or as soon as they become available.

The Cabinet comprises the following Members who have responsibility for the portfolio areas shown:
