

FORWARD PLAN AND EXEMPT CABINET REPORT LIST

14 AUGUST 2024 TO 31 JANUARY 2025

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 requires the Council to give 28 clear days' notice of any key decision or of any reports which the Cabinet intends to consider in private session.

Key decisions

A key decision is an executive decision (taken by cabinet or by an individual Cabinet member on cabinet's behalf):

- 1) Which is likely to involve the incurring of expenditure, or the making of one-off savings, by the Council, which are anticipated to be £250,000 or more*. The exceptions to this rule being:
 - a. Where approval has previously been received to incur that expenditure by the Cabinet.**
 - b) For the acquisition, enhancement or disposal of land or property with a value of £1m, a new key decision would be needed even if previous generic permission has been received via another key decision.
 - 2) Which is likely to have an annual expenditure of less than £250,000, but has a total contract value over the lifetime of the contract of over £750,000.
- or
- 3) Where the effect would be on communities living or working in the district, in an area comprising two or more wards. However, decisions that impact on communities living or working in one ward will be treated as "key" if the impact is likely to be very significant.

*With regard to property leases the £250k value is defined as the letting or taking of a lease with a cumulative rental value in excess of £250k over the first 5 years of the lease.

**Having the budget approved by Council does not mean that an individual has permission to proceed with their project.

If an executive decision does not fall into any of the above categories, it is included as non-key. Thanet District Council also includes in its published Forward Plan decisions affecting Policy Framework and Budget Setting. Other Council decisions may also be included if they have a significant impact on communities. In such cases, the decision type will be denoted as "other".

Reports to be considered in private session

The second last column of the Plan indicates where a report is likely to contain exempt information and result in the public and press being asked to leave the meeting for the consideration of the whole or part of the item.

If you wish to make any representations relating to a proposal to hold part of a meeting in private due to the potential disclosure of exempt information, please contact Nicholas Hughes, Committee Services Manager, PO Box 9, Cecil Street, Margate, Kent CT9 1XZ, nicholas.hughes@thanet.gov.uk, telephone number 01843 577208, at least 14 calendar days before the date of that meeting.

At least 5 clear (working) days before the meeting, the Council will publish on its website a notice giving details of representations received about why the meeting should be open to the public and a statement of its response.

The Plan represents a snapshot of decisions in the system as at the date of publication. It is updated 28 clear days before each meeting of Cabinet. The Plan is available for inspection at all reasonable hours free of charge at Thanet Gateway Plus, Cecil Street, Margate, Kent CT9 1RE.
