— Dear Richard

Annual audit fee 2011/12

I am writing to confirm the audit work that we propose to undertake for the 2011/12 financial year at Thanet District Council. The fee reflects the risk-based approach to audit planning set out in the Code of Audit Practice and work mandated by the Commission for 2011/12. The audit fee covers the:

- The audit of financial statements
- Value for money conclusion
- Whole of Government accounts.

As I have not yet completed my audit for 2010/11 the audit planning process for 2011/12, including the risk assessment, will continue as the year progresses.

Audit fee

The Audit Commission proposes to set the scale fee for each audited body for 2011/12, rather than providing a scale fee with fixed and variable elements. The scale fee reflects proposed decreases in the total audit fee, as follows:

- no inflationary increase in 2011/12 for audit and inspection scales of fees and the hourly rates for certifying claims and returns;
- a cut in scale fees resulting from our new approach to local VFM audit work; and
- a cut in scale audit fees of 3 per cent for local authorities, police and fire and rescue authorities, reflecting lower continuing audit costs after implementing IFRS.

The scale fee for Thanet District Council is £145,825. Variations from the scale fee will only occur where my assessments of audit risk and complexity are significantly different from those identified and reflected in the 2010/11 fee.

Audit area	Scale fee 2011/12	Planned fee 2010/11
Audit fee	£145,825	£153,500

In addition, I will be required to certify a number of grant claims and returns prepared by the Council. The work required in this area is variable and depends on the approach specified by government departments. I will seek to place reliance on the Council's control environment and the work of internal audit in order to minimise the cost to the Council. At this stage, I anticipate fees in the region of £34,500, which is the same as my planned fee for 2010/11.

I will issue a detailed audit plan in early 2012. This will set out any risks I have identified in respect of the financial statements audit and the vfm conclusion. The plan will also set out the audit procedures I plan to undertake and any changes in fee. If I need to make any significant amendments to the audit fee, I will first discuss this with the Director of Corporate Services. I will then prepare a report outlining the reasons the fee needs to change for discussion with the audit committee.

I propose to review your updated Medium Term Financial Plan and new arrangements with other councils for the provision of shared services to support the vfm conclusion. I will issue a detailed project plan before work begins.

I will issue several reports over the course of the audit. I have listed these at Appendix 1.

The fee excludes work the Commission may agree to undertake using its advice and assistance powers. We will negotiate each piece of work separately and agree a detailed project specification.
