Mr Glen Back
Democratic services and scrutiny manager
Thanet district Council
PO Box 9
Cecil Street
Margate
Kent
CT 9 1XZ

Tuesday, 21 June 2011

Dear Mr Back,

I realise that you have sent a letter to every councillor regarding a review of the polling places but mine is a different situation where I am registering a complaint regarding the church hall in Nelson place Broadstairs. I consider the amenities are not quite satisfactory for a polling station as it has a difficult disabled entrance..

It is my view that we should look for an alternative polling station for the Bradstowe Ward in Broadstairs for the next election whatever and whenever that shall be. Whilst attending the polling station it came to my attention that elderly people were finding it very difficult to manage the steps into and out of the doorway.

On one occasion it was fortunate that somebody there, was able to help an elderly person, who stumbled whilst exiting the station.

I am positive that you will want to review the situation at this polling station and see for yourself the difficulties I have outlined in this short my note.

Yours sincerely,

Councillor Bill Hayton.
