## REVIEW OF PETITIONS SCHEME

To: **Constitutional Review Working Party – 31 October 2013**

Main Portfolio Area: **Business, Corporate and Regulatory Services**

By: **Democratic Services and Scrutiny Manager**

Classification: **Unrestricted**

Ward: **Not applicable**

---

**Summary:** **To review the petitions scheme, particularly in so far as it relates to petitions requiring a debate at full council and repeat petitions**

### **For Decision**

---

#### **1.0 Introduction and Background**

- 1.1 Two petitions relating to the Pleasurama site at Ramsgate were presented to Council at two consecutive ordinary meetings of Council; the first on 18 April 2013, and the second on 11 July 2013.
- 1.2 As each of those petitions contained over 1,000 signatures, it was, under the Council's current petitions scheme, required to be debated by the Council; the relevant clauses of the scheme being as follows:

<p><b>12.0 Petitions from the Public</b></p> <p>.....Petitions signed by 1,000 or more petitioners will be debated at a meeting of Council....</p>
<p><b>12.6 Full Council debate</b></p> <p>If a petition contains more than 1000 signatures it will be debated by the Council unless it is a petition asking for a senior Council officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all Councillors can attend.....</p> <p>Council will then decide how to respond to the petition at that meeting.</p>

- 1.3 The current petitions scheme is attached as Annex 1 for Members' ease of reference.

- 1.4 One of the reasons for rejecting a petition is if it is "substantially the same as one already received within the preceding twelve months". (Clause 12.1 of the petitions scheme refers). Although the two petitions referred to related to the same subject, namely, the Pleasurama site, Ramsgate, the requests were essentially different, in that the earlier petition called upon the Council to "Stop the freehold of the Pleasurama site being sold" and the later one, "... that under no circumstances will a

discretionary extension of the practical completion be given to SFP Ventures (UK) Ltd or any developer of Royal Sands before or after 22 May 2013...”.

- 1.5 Following presentation of the later petition by the petition organiser at the Council meeting on 11 July 2013, Council agreed refer to the petition to Cabinet; the relevant minute being as follows:

“It was proposed by Councillor Poole, seconded by the Leader, and RESOLVED that the petition be referred to Cabinet for determination”.

- 1.6 Under Clause 12.3 of the petitions scheme, referral to Cabinet of a petition is a one of the options that Council can decide on:

### **12.3 How will the Council respond to petitions?**

Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:

- Taking the action in the petition
- Considering the petition at a Committee meeting...

*[list continues]*

- Holding a debate at that full Council meeting.

- 1.7 When the motion, as set out at paragraph 1.5 above, had been proposed and seconded, no Councillor had indicated an intention to speak by way of debate. Thus, no debate had taken place.

- 1.8 Subsequent to the Council meeting on 11 July 2013, the petition organiser complained to the Democratic Services and Scrutiny Manager that the petition had not been debated by Council.

- 1.9 The relevant clause, 12.7 - “What can I do if I feel my petition has not been dealt with properly?” - was explained to the complainant.

- 1.10 The complainant subsequently requested that the matter be referred to the Overview and Scrutiny Panel on the following grounds:

I am puzzled as to why the Members can decide "not to debate" — an entitlement we had earned and assembled for on behalf of our petitioners.

- 1.11 The complaint was referred to the meeting of the Overview and Scrutiny Panel which was held on 20 August 2013.

- 1.12 During consideration of the issue at that meeting (*to quote from the relevant minute*) ...

“Some Members felt that Councillors could not be forced to debate an issue and the wording regarding debating of petitions in the Constitution required a small amount of rewording. Following some discussion the Chairman said the issue of possible repetition of questions/petitions needs to be considered.”

- 1.13 The Panel AGREED:

“to refer the re-wording the Constitution in relation to debating of petitions at Council to the Constitutional Review Working Party”.

## **2.0 The Current Situation**

2.1 Members will recall that in order to comply with the requirements of Chapter 2 of Part 1 (Petitions to local authorities) of the Local Democracy, Economic Development and Construction Act 2009 (LDED&C Act 2009), the Council agreed on 15 July 2010, as part of a new petitions scheme, that petitions containing at least 1,300 signatures would require debate at full council.

2.2 Members will also recall that Chapter 2 of Part 1 of the LDED&C Act 2009 was repealed by Chapter 10 of the Localism Act 2011. Following that repeal, Council reviewed its petitions scheme on 19 April 2012, and RESOLVED:

That the level of threshold automatically triggering full Council debate be reduced from 1,300 signatures to 1,000 signatures.

2.3 A quick online research was carried out in relation to our neighbouring councils' petitions schemes and that of Kent County Council. The research focused on three key areas:

2.3.1 Did petitions containing a certain number of signatures still trigger full council debate?

2.3.2 Did the petitions scheme change following implementation of the Localism Act 2011, and, consequently, the repeal of the Chapter 2, Part 1, LDED&C Act 2009? and

2.3.3 Thirdly, were there any provisions in relation to repeat petitions?

2.4 A summary of the results, which includes Thanet's current position for comparison purposes, can be viewed at Annex 2.

2.5 In brief, Members will note:

2.5.1 That, with the exception of Shepway, debate is still mandatory where petitions contain signatures above a certain threshold;

2.5.2 That of the four remaining Councils, where debate is still mandatory, Thanet & Kent Councils altered the signature thresholds which trigger full council debate following implementation of the Localism Act – in both cases, reducing them – and Canterbury and Ashford Councils kept their signature thresholds as they were.

2.5.3 That two councils do not have any provisions regarding repeat petitions; and that the remaining three councils have provisions which, whilst being quite similarly worded, are subtly different. For example, Canterbury's provision that a petition received “within 6 months of another petition being considered by the authority on the same matter will not normally be considered”, could be construed as precluding the second petition on the matter of Pleasurama Site, Ramsgate, as referred to above.

2.5.4 That Democratic Services have been advised by Dover Council that a review of its petitions scheme is imminent.
