Summary: To review Council Procedure Rule 16.3 – Putting the Motion at the Meeting

For Decision

1.0 Current Situation

1.1 At the Council meeting held on 3 October 2013, this report was withdrawn by the Chairman for further consideration. It is now re-submitted for decision.

1.2 Council Procedure Rule (CPR) 16.3 – Putting the Motion at the Meeting, has been drafted and adopted on the assumption that it is Members of the opposition political group who generally submit motions on notice to Council thus, if the motion is seconded, entitling a member of the controlling political group to exercise a right of reply. However, as evidenced recently, members of the ruling political group also put forward such motions.

1.3 Recommendation of Standards Committee

1.3.1 At its meeting on 4 September 2013, Standards Committee agreed to recommend to Council that CPR 16.3 be amended as follows:

“16.3 Putting the Motion at the Meeting

*The Member whose name appears first on the Notice will move the motion during his or her speech and call for a seconder. **If seconded and the mover of the motion is a member of a political group other than the ruling political group, the Chairman will call upon a member of the ruling political group to reply. If seconded and the mover of the motion is a member of the ruling political group, the Chairman will call upon a member of one of the other political groups to reply. In such circumstances the Chairman will call upon a member of the second largest political group unless, exceptionally and based upon the nature of the motion, the Chairman considers it appropriate to call upon a member of another political group (other than a member of the ruling political group) to reply.** The motion shall then stand referred without further discussion to the Cabinet or appropriate Committee for determination or report unless the Council decides to debate the motion in accordance with Rule 19.”*
