

Aspirations for Thanet

Thanet Health and Wellbeing Board

Andrew Scott-Clark
Director of Public Health Improvement
23rd January 2013

Outcomes for Kent

- Every Child has the best start in life
- Effective prevention through people taking greater responsibility for their health and wellbeing
- Improved quality of life for people with Long Term Conditions (access to good quality care and support)
- People with Mental Health issues are supported to live well
- People with dementia are assessed and treated earlier

Life Expectancy: ultimate challenge

Based upon pooled 2006-2010: Thanet males have 11.7 years difference in life expectancy
Thanet females have a 6.8 years difference in life expectancy

Aspirations for Thanet: Children

- Reduce smoking prevalence of smoking mothers
- Increase the prevalence of breast feeding
- Reduce alcohol specific stays in hospital of the under 18s
- Reduce teenage conception rates
- Deliver the universal child health programme to the whole Thanet children population.

Aspirations for Thanet: Prevention

- Reduce the prevalence of smokers
- Ensure at least 50% of people invited for a health check take up the invitation.
- Reduce early deaths from cardiovascular disease
- Reduce the number of falls that lead to hip fractures

Aspirations for Thanet: LTC

- Oversee the delivery of a new model of integrated health and social care for the population of Thanet.
 - Integrated health and social care teams operating in every practice in Thanet
 - Risk profiling being done systematically
 - EKHUFT and KCHT fully participating
 - Reduction in inappropriate A&E attendances
 - Length of Stay by Thanet residents in hospital reduced
 - Hospital Consultants practicing in community settings

Aspirations for Thanet: Mental Health

- Mental Health Summit to consider?
- Zero tolerance on waiting lists for both adult mental health and child and adolescent mental health services
- Services reviewed and commissioned to ensure demand is equalled by capacity.
- Low level and preventative mental health services mapped.

Aspirations for Thanet: Dementia

- Dementia diagnosis rates are increased to ensure the estimated prevalence of dementia is known to local service.
- Integrated service provision specifically includes dementia pathways and meets all national guidance.

Aspirations for Thanet: Wider determinants

- Education
- Crime: Community Safety
- Employment: Regeneration Board
- Environment
- Housing
- Margate Taskforce
