Dear Mr Verrall

## Allotment Policy Consultation

Cliffsend Parish Council would like to thank you for giving us the opportunity to comment on the above consultation.

We would like it noted that following information from Ramsgate Town Council, Cllr Liz Green, residents of Cliffsend are no longer eligible for an allotment at Chiltern. Many of our residents are fortunate to have an existing allotment and were instrumental in the running of the site. However, residents are no longer eligible to be listed on the waiting list.

We would like to request that we are considered as a special case as we do not have any of our own.

Kind regards  
Ashley Stacey  
Clerk to Cliffsend PC
