

From: Andrew Scott-Clark, Acting Director of Public Health
To: Thanet Health and Wellbeing Board
Date: 28th July 2014
Subject: **Thanet Aspirations**

The updated presentation sets out the comments received since the last Health and Wellbeing Board on the Thanet Aspirations

No comments have been received except to add safeguarding to the set of aspirations for children with further work to be taken through the Thanet Children's Operational Group to identify a suitable target.

Recommendation(s): **Thanet Health and Wellbeing Board members** are asked to Approve the Aspirations.
