Philip,

Please see the below details. This is the agreed terms

- 1) No off sales after 21:00 hours (reason the beach huts can only be used during day light hours)
- 2) All off sales are to be in cans / plastic bottles (this stops glass bottles from these premises being used on the beach) No other containers to be used. Wine can be purchased in cartons now (like fruit juices) or plastic bottles.
- 3) Alcohol to 2300 hours and to close at 2330 hours.

If these are in place then the police do not object to this application.

Regards

Darren
