## 1.0 Introduction

- 1.1 The purpose of the Council's Governance and Audit Committee is to provide independent assurance of the adequacy of the risk management framework and the associated control environment, independent review of the authority's financial and non-financial performance to the extent that it affects the authority's exposure to risk and weakens the control environment, and to oversee the financial reporting process.
- 1.2 To comply with best practice the Committee considers annually how it has met its terms of reference and how it has impacted on the internal control environment. The purpose of this report is to consider the self-assessment that has been undertaken and summarise any improvement opportunities for the forthcoming year.
