This application is not being supported by the Police.

The police have spoken to the applicant over areas of concern; these have yet to be agreed.

The issue that the Police have is the application is very open to interpretation. Unclear on the nature of the business and if the appropriate planning consent exists.

Due to conflicting differences in application and correspondence with the applicant the Police at this time cannot support this application. The concerns are about the nature of the business, hours, and key extension dates.

As a result of the unclear direction of this premises the Police feel the information cannot support the licensing objectives and therefore do not support this application.

Suggested conditions that could be added to the licence to remedy the representation or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary

The applicant has been contacted and hopefully to arrange a meeting to possibly discuss agreed conditions that support the direction of this application

It should be noted that paragraph [insert number] of the {insert name} Council Statement of Licensing Policy deals with the prevention of Crime and Disorder.

For New Years Eve to a time when we know the premises is going to close.
