Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because .....

The Police are objecting to the TENs application for this four day event. On The Rocks, Royal Crescent Promenade, Margate. The information provided does give a full picture of the event.

There is not enough for the Police to make a fair decision on potentially supporting this planned event. They event is planned for 400 patrons.

1. Is this a free to enter or ticketed event?
2. Are SIA going to be employed? How many?
3. What type of music event is this going to be?
4. How are numbers going to be controlled?
5. Why do you require both on and off sales?
6. Is there sufficient safety access in case of emergency in the gated area?
7. Why does sale of alcohol and closing time end at the same time?
8. Why are you applying for late night refreshments?
9. What is the full program over the dates requested?
10. What noise policy do you have in place?

These points need to be addressed before the Police can decide to support this TENS.

Due to the information provided the Police cannot support this TENS.

Please use separate sheets where necessary

**Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:**

*Please use separate sheets where necessary. Consider s106 Licensing Act 2003.*

The TENS does not offer enough information about this event.

A clear outline of how this event is going to be managed and detail of what is planned for the event.
