Re: TEN application – On the Rocks – Nayland Café, Westbrook Promenade

On review this is an application for a music event over four days from 26/5/17 until 29/5/17. The event is planned for 400 people from 09:00am until 23:00pm.

Environmental Health objects to the event on the grounds of the prevention of public nuisance. Our objection is based on the lack of information within the application, the description of the event, the times of operation and the proximity to surrounding residential and commercial premises. This event has the opportunity to cause significant disturbance to the surrounding area.

Kind regards,

Christopher Brown - **Environmental Protection Officer**
