Dear Sirs,

I am writing to strongly object to the appeal concerning the extended opening hours for the Carlton Cinema.

We currently suffer from people returning from the cinema at around 11 pm with talking, laughing and banging doors. This would be intolerable at 3am, particularly as the clientele would be, almost certainly, younger and even more rowdy.

The problems mentioned are exacerbated at night time and the noises will be coming up to my front bedroom window.

Dear Sirs,

We understand from a public notice that the Carlton Cinema wishes to extend It's operating time to 3am. We wish to object to this proposal on the grounds of noise and sleep disturbance.

The current 11pm closing time can be noisy at times, but we have put up with this for many years along with the rubbish thrown down in our street. We would however strongly oppose any possibility of this situation occurring in the middle of the night.

Yours sincerely

Re. Opening times at Carlton Cinema.

I appreciate having a Cinema in Westgate and realise the public have to park in Ivanhoe Rd. I have no objection to this when the Cinema closes at 11. pm.

However, I strongly object to films being shown up to 3.00 a.m.

The Cars will definitely disturb any sleep at that time of morning with engines starting up, banging of doors and possibly people talking.

It has to be considered that there are several elderly folk living on this road.

Please to consider how plan.

Yours faithfully,

Sirs,

Re: Carlton Cinema, Westgate-on-Sea.

I wish to register my strong objection to the Carlton's request/application to be permitted to show films from midnight to 3am on occasions of their own choosing.

Their patrons who emerge at 10-11 pm are largely not quiet, there is often much slamming of car doors + calling out between their cars. I have no reason to believe people coming out later will be any more or less considerate to local residents.

The Carlton is an excellent amenity which brings people into Westgate, thus I can content to tolerate the noise + the rubbish which comes from their customers. However, the establishment is not located in such as an out-of-town retail centre - it is an area shared between small local shops and local residents.

The Carlton is managing to be very vague about how often they will want to have late-night viewings - very worrying to the local residents. If permission is given they will be able to drive the local residents mad any time they wish!

I trust you will give full consideration to my objections, and thank you for your attention.

Dear Sir or Madam

Carlton Cinema, Westgate on Sea – extension to licenced hours

It has come to my attention that the Carlton Cinema wishes to extend its licenced hours for late night viewings, extending into the early hours.

As someone who lives very close to the Carlton, I would like to bring my concerns to your attention.

My main objection is regarding the parking and the noise at late hours, which will cause disruption to the local residents. The coming and going of vehicles and people between midnight and 3 am will create a lot of noise affecting the sleep of residents in the surrounding area.

It is mainly elderly people who live in Wellington Close. Already people who attend the Carlton, park both sides in my street, which is a very narrow cul-de-sac, and block the roadway – this could prove a problem for emergency services and has done so in the past.

~~If such screenings were to be very 'infrequent', then one would put up with it, as the Carlton Cinema is a useful facility for Westgate. However, it could well be that 'infrequent' becomes 'frequent' and that this is the 'thin end of the wedge'.~~

Amended

For these reasons, I wish to object to the extension of the licenced hours.

Yours faithfully

To whomever it may concern,

It has been brought to my attention that Carlton Cinema in Westgate wants to extend their licence till 3am on an infrequent basis.

I wish to oppose this.

We have terrible trouble as it is with people coming back to their cars in our close laughing, shouting talking loudly and banging car doors. This at the moment is bad enough but 3am in the morning will not be a pleasant experience for myself and my husband as we work shift

Is it true that Carlton Cinema, Westgate-on-Sea, but want to extend their liquor license till 3am, if so I would like to object? The reason it's bad enough with Carlton Cinema customers parking in Wellington Close and making a lot of noise. Can you imagine people coming down Wellington Close in the middle of the night to get their cars, arguing, sweating, being sick and going to the toilet in the gardens in Wellington Close.

FOR THE ATTENTION OF THANET DISTRICT COUNCIL

Dear Sir,

It has recently come to my attention that there are plans to extend the hours of opening of the Carlton Cinema, Westgate-on-Sea, Kent to 3am.

I find this to be totally unacceptable. I live in the vicinity of the cinema and my road is used by cinema-goers. The noise and anti-social behaviour at this time of morning would cause me much distress.

There is already a problem here with cars from people using the cinema.

I sincerely hope that this matter is refused on these grounds.

Yours faithfully

Attention of the Licencing Department

Thanet District Council  
P O Box 9  
Cecil Square  
Margate, Kent

Dear Sir/Madam

PROPOSED EXTENSION OF EXISTING LICENCE OF CARLTON CINEMA, WESTGATE

We are writing to express our concerns at the proposal of the Carlton Cinema to extend their existing licensing hours until 3 am for 'infrequent' midnight showings.

We realise that the Carlton Cinema is a great asset to Westgate and provides a very valuable and enjoyable service to the community.

However, as residents who live very close to the Carlton, we have grave concerns and feel that we have to object to this proposal on the following grounds:

- 1) The Carlton Cinema does not have a car park.  
Its customers, many of whom arrive in cars, need to park in the adjacent streets, which are all residential. The late arrival and departure of vehicles, as well as pedestrians, leaving the cinema will mean excessive noise and disturbance at unsociable hours.  
  
Currently, residents are already disturbed by car doors banging, shouting etc, with the current licencing hours, and this will only become worse.
- 2) The Carlton Cinema now has a licence to sell alcohol, and it is more than likely that the late night screenings could encourage unsociable drinking, and disruption, on leaving the cinema.
- 3) Litter, which is already a problem in the surrounding streets, will become worse as people will undoubtedly throw rubbish, bottles and cans indiscriminately.
- 4) Although the Carlton Cinema has stated that the screenings will be 'infrequent', this needs much further clarification as to the frequency of such events.

For the above reasons, we feel we have to object to the Carlton Cinema extension of hours.

Yours faithfully

Dear Philip.

I am writing to you in my role as Chairman of the Westgate and Westbrook Residents Association. It has been brought to my notice by many concerned residents, living adjacent to, or living near to the Carlton Cinema in St. Mildred's Road, Westgate-on-Sea, about the application to extend the showing of films within the Cinema until 3.00 am in the morning.

Ivanhoe Road backs on to the Cinema, and the screen and sound equipment are based at the rear of the building and can be heard in the background on a quiet day/evening, to extend hours, I feel sure this could cause a public nuisance with car doors closing, people talking loudly and possibly anti-social behaviour.

I understand you will be receiving many objections in writing to this application in the next few days.

I would be grateful if you could advise on the progress of this application.

Yours

Cllr. Mick Tomlinson
