OPERATING SCHEDULE

When do you want the premises licence to start? / /

dd mm yyyy

If you wish the licence to be valid only for a limited period, when do you want it to end / /

dd mm yyyy

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

I intend to operate the premises as a bar restaurant / cafe kiosk. It is situated on westbrook pomenade, westgate on sea. it

Continued from previous page...

As a kiosk /take away area to the side which will be used for the purchase of take away food ice creams and soft drinks, no alcohol will be sold from there. The interior is to be laid out in such a way that it is to be used as primarily an eating establishment where you can have a drink (alcoholic or otherwise) a meal ,snack, or perhaps just coffee and cake. I do not wish to operate as a pub. There is a large patio area that will be used for outside seating for off sales. This is directly outside and attached to the main premises. It is all accessible to the disabled. There is only one bar area situated in the main part of the building. My intention is to be open from 8 am until 11.30 daily throughout the year with the exception of bank holidays christmas eve and new years eve when i would like the option to close at 01.30 on christmas day and new years day , also to have the option to have extended hours on the fridays and saturdays of the bank holiday weekends. The premises will have CCTV cameras both inside and outside for the security and safety of both staff and customers. There will be outside lighting. When the premises have everything in situ a risk assesment will be carried out and Staff will be fully briefed in exactly what to do in an emergency situation there are exits to all sides of the building to facilitate a swift exit if needed. Staff will be receiving training so that they all have an understanding of the licensing objectives. I intend to adopt the challenge 25 policy , i intend to enforce stringently the no approved ID no sale policy. In making my application i am making provision for the option to have live music in the event of this as we are a restaurant i do not for see an increase in customers as i will only have a certain number of seats that can be filled . In the event of hiring a band i would advertise and hopefully take bookings when all the seats are taken as in any other restaurant we would be full. In terms of seating numbers as i am yet to place any furniture in the property i cannot be specific but as we will be somewhere that is accessible to the disabled and providing designated facilities i will be mindful that sufficient room needs to be left to successfully negotiate a wheel chair . As an estimate i would say that i could accomodate no more than 80 to 90 people combining both the indoor and outdoor space. Obviously the outdoor space is seasonal so my customer numbers would fall during the winter months.

If 5,000 or more people are expected to attend the premises at any one time, estimate the number expected to attend

Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

I have stated that I intend to be a family friendly bar restaurant and my premises are to be laid out accordingly I do not want to be a pub. We will have the suitable amount of staff for our needs all staff will receive training when everything is in place a risk assessment will be carried out and staff given clear instructions what to do should an emergency occur. Fire extinguishers will be in both the kitchen and the restaurant area. There are doors to exit every side of the building. A designated disabled toilet complete with alarm if needed. There will be no gaming machines on the premises. CCTV will operate at all times for the safety of all customers and staff. We shall be operating a strict challenge 25 policy if no suitable approved ID can be shown then no drink will be sold also making sure no one else tries to purchase a drink for that person. As I am aware that parents do send their children off to get their own ice creams drinks etc they will be sold from the kiosk area no alcohol will be sold from there. There are no communal toilets to ensure no children will not be in them with anyone other than their own appropriate adult. There will be no promotion of drinks that would encourage binge drinking. If someone is obviously very drunk then they will politely be refused any further service. Plastic glasses will be used for outside area to prevent any possible harm from breakages. As we are a restaurant we only have a limited amount of seating inside and outside when the seats are full we will have reached our capacity. There is outside lighting and all customers will be encouraged to leave quietly as we are a restaurant I can only assume that people leaving will be staggered as meals will finish and customers go at different times. I am placing rubbish bins outside that I will ensure are emptied regularly and will have any rubbish generated by my business removed regularly so as not to encourage vermin. All equipment will be tested regularly in the interests of safety. All used items will be removed swiftly to prevent any accidents occurring from breakages. All toilets will be cleaned and inspected regularly to ensure no mis use of drugs on the premises. I will be seeking advice from the local pub watch or equivalent. If I suspect any illegal activities are taking place the police will be called. (please see individual boxes below for further measures)

b) The prevention of crime and disorder

All staff are to receive training and instructed in conflict resolution. I know several of the local licensees in Westgate so I shall be speaking with them in regard to the local pub watch scheme or similar. CCTV will operate at all times inside and out as it often proves to be a good deterrent. We will operate on a strict challenge 25 policy. Anyone who appears very drunk will be politely refused any further service. A vigilant eye will be kept at all times and toilets checked regularly to ensure that there will be no misuse of drugs on the premises. Staff will be instructed that if they think something is amiss then they should contact the police. Tables will be cleared of any used glasses bottles cutlery and crockery as they are finished with as they have the potential to be quite nasty weapons. There will be outside lighting. The building will have secure metal shutters to be used when we are closed to prevent both burglary and damage. Litter bins will be provided and emptied regularly.

c) Public safety

We have a ramp to enable easy access for the disabled. there is a designated disabled toilet equipped with a the necessary emergency alarm and fitted hand rails. A fixed and stable baby changing unit. we have 6 doors to exit the premises in case of emergency. CCTV will operate at all times both inside and outside for the safety of both staff and customers. plastic glasses will be used for drinks consumed in the outside patio area where possible so as to minimise the risk from broken glass as we are near to the beach. There are outside lights. Anyone who appears too drunk will be politely refused any further service. Tables will be cleared of used items to prevent the risk of breakages and possible harm if broken. Appliances will be tested regularly in the interests of safety. Fire extinguishers will be in both the kitchen and dining areas for easy access should the need arise. Staff training will be ongoing and reviewed regularly to ensure all objectives are being met. As the outside patio is a raised area barriers will surround that area to prevent harm and also to separate it from the promenade.

d) The prevention of public nuisance

There will be lights outside and CCTV operating at all times obviously customers will be encouraged to leave quietly and quickly. Main doors can be closed if necessary to minimise noise later in the evenings. I will be placing several bins which I

Continued from previous page...

will ensure are regularly emptied so there will be no nuisance from additional refuse in the area. I will also ensure that any refuse generated by us will be removed regularly so as not to encourage vermin. As we are a restaurant customers will be leaving at different times when they have finished eating so departures will be staggered. This will not go on late into the night. As we are on the promenade there are several nearby places to park that would cause no disturbance to local residents. Many of the local residents have taken a great interest in what we are doing and looking forward to joining us for a drink and a meal, and have remarked that the building looks great as it had gone into a state of disrepair and that a place like ours is needed there. I will constantly canvass the opinions of the neighbours it will always be in my best interest to ensure that we are not causing a nuisance and that we are an asset to their area. Taxis will have to be used at times I am sure but leaving will be staggered so I do not foresee any problems with traffic. The building has been insulated for comfort purposes also it minimises sound. There are outside lights that are positioned not to affect neighbours. The premises has previously been a licensed premises the previous licensee surrendered the license when he left the business. I do not think it will be the kind of premises that will be in danger of any violence taking place we are not a pub or club, The combined numbers of both the inside seating and outside seating I think will not exceed around 80 obviously during the summer months we will be busier as people will be outside but it is a busy place during the summer months its next to the beach. During winter obviously my customers will be far less as weather will not permit seating outside and doors will be closed also due to the weather.

e) The protection of children from harm

We have a take away kiosk to the side of the building for ice cream food soft drinks as I am aware that children are often sent off to get themselves something no alcohol will be served from there. We will operate a strict challenge 25 policy no approved ID no drink. And to make sure no adults are buying drinks for children. Any 16 or 17 year olds eating a meal with adults will only be served 1 small beer cider or wine after the parent has been challenged as to age a record will be kept of this. There are no communal toilets so if using the facilities no child should be in there with anyone other than their appropriate adult known to them. Safe baby changing facilities have been provided within the designated disabled toilet. No gaming machines will be on the premises. Toilets will be cleaned and checked regularly to ensure there is no misuse of drugs occurring within them premises. Children will not be exposed to anything of an adult or sexual nature. All used items will be cleared swiftly to remove risk of breakages and harm. CCTV will operate at all times. Staff will receive ongoing training and will be expected to keep a vigilant eye to ensure the safety of children. As we wish to be a family friendly restaurant, in my own experience when dining out with my children I ate during the early part of the evening and got them home to bed by 8.30 this would be the practice I would like to encourage with my customers. Night times are for adults. Given my location we will very much be a cafe bar during the day I suppose but intend to provide additions to the menu of an evening which will be more restaurant type food this in the main will enable us to open all year round it would be I believe less likely that anywhere near as many children will frequent the premises during the winter months.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this by providing with this application copies or scanned copies of the following documents (which do not need to be certified).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
 - An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
 - A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
 - A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
 - A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
 - A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
 - A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
 - A **full** birth or adoption certificate issued in the UK which includes the name(s) of at least one of the holder's parents or adoptive parents, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
 - A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
 - A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
 - A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
-
