This application is not being supported by the Police.

The issue that the Police have is the application is very open to interpretation. Unclear on the nature of the business and if the appropriate planning consent exists.

The Police still have some questions regarding the application. As within the application it states they do not wish to be a bar. Then ask for late hours and extensions for all Bank Holidays, Christmas and New Year's Eve. All of these are consistent with bars and late night drinking establishments. Again this is supported by asking for Regulated entertainment to 30 minutes after you have stopped selling alcohol.

Due to the location the Police would like further clarification on the outside area. Is this area going to be roped off? Clear signage would be required and that no alcohol is allowed to leave this area. Alcohol is not wanted to be allowed to be taken off the premises so that it can be freely drunk on the beach.

Due to location and time of season I would suggest that no person under the age of 18 consumes alcohol even if it was purchased with food by an adult.

Due to conflicting differences in application the Police at this time cannot support this application. The concerns are about the nature of the business, hours, and key extension dates.

As a result of the unclear direction of this premises the Police feel the information cannot support the licensing objectives and therefore do not support this application.

Suggested conditions that could be added to the licence to remedy the representation or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary

The applicant has been contacted and hopefully to arrange a meeting to possibly discuss agreed conditions that support the direction of this application

2. At least one member of staff trained during opening hours that can work and download CCTV.

4. No alcohol to be sold from the take away / kiosk area.
5. Off sales permitted to the outside patio area only, suitable signage to support no alcohol leave that area.
