Please give the reason for the representation and detail the evidence supporting it:

This application is not being supported by the Police.

The issue that the Police have is the application is the hours to 0200 hours. The Police feel that these hours will not support the licensing objectives.

The Police still have some questions regarding the application. It says that CCTV is installed and has a record function. No indication if this is going to be used. The Police would expect a minimum of a 30 day record function during all trading hours. This will help support the licensing objectives.

The premises will not be selling alcohol yet will enforce challenge 25. Why would the premises feel the need to support this action to challenge people's age to purchase hot food?

The premises are in a residential area and allowing the premises to remain open to 0200 hours could have a detrimental effect on the residents. Also if a delivery option is available the constant stopping / starting of vehicles will add to the noise. Potentially engines could be left running. These will not support the licensing objectives.

The Police do not support this application.

Suggested conditions that could be added to the licence to remedy the representation or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary

The applicant has been contacted and hopefully to arrange a meeting to possibly discuss agreed conditions that support the direction of this application

The following conditions to be considered

1. CCTV installed working and maintained, 30 day record function and copies to be made upon request of the Police or Local Authority.
2. At least one member of staff trained during opening hours that can work and download CCTV.
3. Delivery vehicle to be parks and engine turned off at all times when collecting food. No engine to be left running.
4. Premises to be closed by 0000 hours.

It should be noted that paragraph [insert number] of the {insert name} Council Statement of Licensing Policy deals with the prevention of Crime and Disorder.
