The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event	
Date(s) of event	26 th , 27 th and 28 th August 2017
Licensable activities proposed	The provisions of regulated entertainment The sale by retail of alcohol. The Provisions of late night refreshments
Hours of licensable activities	0300 - 0430
Name of Premises:	Rokka
Address of premises:	64 Harbour Parade Ramsgate Kent CT11 8LN
Date and time TEN received by police	07/06/2017
Date and time objection notice given to Licensing Authority and the premises user	08/06/2017

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are objecting to the TENs application for this event. Under the grounds of Public safety and crime and disorder.

The Police have serious concerns due the violent affray that took place outside of many premises during the hours being asked for.

The incident was caused by alcohol and every premise had furniture in the street beyond its licensed foot print. None of which had been applied for and had been approached about removing furniture from the street at 2200 hours.

It is not known at this time if the local authority is supporting the event or the road closure. As a result of this the Police cannot support this event until this is known.

If this was granted then the area in the road needs to be applied for to be used for licensable activity. In light that this is difficult to confirm the Police will not support any TENS past the hours on the premises licence. If the road is closed and furniture remain then this hours will not be supported.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The event in the area this is being applied for is not confirmed. There will need to significant measure to ensure that any furniture is removed by 2200 hours without exception. For all premises.

If furniture is going to be outside the original hours to remain.
