The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event	
Date(s) of event	28th July 2017
Licensable activities proposed	The sale by retail of alcohol.
Hours of licensable activities	2100 - 2230
Name of Premises:	Stretch of Sandy Beach
Address of premises:	Between Ramsgate Main Sands and Dumpton Gap Raamsgate
Date and time TEN received by police	12/07/2017
Date and time objection notice given to Licensing Authority and the premises user	14/07/2017

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are objecting to the TENs application for this event.

The event is for 400 people and has asked for on sales of alcohol. However there are no premises that this Ten can be connected too. This is a public beach. How are

numbers to this event going to be controlled to 400 which includes staff.

This is not a ticked event and there is no mention of how this event is going to be managed. How is this area going to be managed? How is this going to be limited to 400 people? How is the alcohol going to be sold, what will happen with the alcohol sold when the event ends? Glass or plastic? Is there going to be a clean-up team to patrol after the event but before the tide comes back?

I feel that a clear defined area needs to be enforced and for the event organizers to evidence how that are going to manage this event.

There is no mention of marshals or SIA staff.

Due to the information provided the Police cannot support this TENS.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The TENS does not offer enough information about this event.

It has applied for on sales but there is no premises attached to the TENS.
