The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event	
Date(s) of event	3 rd to 6 th August 2017
Licensable activities proposed	The sale by retail of alcohol. The Provision of regulated entertainment. The Provisions of late night refreshments.
Hours of licensable activities	1000 - 2300
Name of Premises:	Beet Bar
Address of premises:	25 High Street Margate Kent CT9 1DL
Date and time TEN received by police	19/07/2017
Date and time objection notice given to Licensing Authority and the premises user	21/07/2017

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are objecting to the TENs application for this event.

The event is planned for Margate Soul Festival and is one of the official bars for this

event. This event attracts thousands of people to attend. From information from the event organiser Market Street Car Park is the only place for extra toilet facilities. So this could cause more people to attend this location than they normally would during this event.

I understand that the event they are planning is going to be small in the numbers that they are applying for. However if the music is going to be loud enough to be heard outside then this could cause serious problems and create another venue in the car park that could attract large numbers of people.

There is no mention of marshals or SIA staff.

As a result of these concerns the Police feel that the licensing objective will not be supported.

Due to the information provided the Police cannot support this TENS.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The TENS does not offer enough information about this event.

I would suggest that there is suitable SIA employed for the duration of this event and that any entertainment cannot be heard outside. This will reduce the risk of large gatherings in the car park.
