The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Details of Temporary Event	
Date(s) of event	5 th to 6 th August 2017
Licensable activities proposed	The sale by retail of alcohol. The Provision of regulated entertainment.
Hours of licensable activities	2100 - 0400
Name of Premises:	Olbys Soul Café
Address of premises:	3-5 King Street Margate Kent CT9 1DD
Date and time TEN received by police	21/07/2017
Date and time objection notice given to Licensing Authority and the premises user	21/07/2017

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are objecting to the TENs application for this event.

The event is planned for Margate Soul Festival and is one of the official bars for this event. This event attracts thousands of people to attend.

The main attraction for Margate Soul Festival is based at the Winter Gardens. This premise already has hour to remain open to 0300 hours.

Due to the large number of people who will already be in the area the Police do not want hanging around to gone 0400 hours. This would have a significant impact of local residents.

There is no mention of marshals or SIA staff.

As a result of these concerns the Police feel that the licensing objective will not be supported.

Due to the information provided the Police cannot support this TENS.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The TENS does not offer enough information about this event.

I would suggest that there is suitable SIA employed for the duration of this event and that any person who leaves the premises is not allowed back into the premises. Due to a high residential area and the significant impact this event has on the local area. The Police feel a strong no readmission policy is adopted from midnight.

SIA will remain outside at all time to control this and also 30 minutes after the event to ensure all patrons have left. This should also be a ticked event and they would have to be purchased before 2000 hours on the day. This will ensure that people will not just turn up. No admission after midnight.

This will reduce the risk of large gatherings and the noise impact on local residents.
