The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Licensable activities proposed	The Provision of regulated entertainment. The provision of late night refreshment.

Date and time objection notice given to Licensing Authority and the premises user	02/08/2017

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are objecting to the TENs application for this event.

It would appear that this TENs is requesting permission to use the area. The applicant would need to ensure that permission has been granted before submitting a

TENs.

The TENs is also incorrectly completed. Within the detail of the notice it states that alcohol will be part of the event but there is not Sale by retail of alcohol marked off.

The event is for 3 days but to only use the event between 1400 and 0100 hours on the middle day. The Police understand this is for a wedding. How is the site going to be protected throughout the duration of the TENs notice.

Are there going to be SIA due to the event if given permission being on a public beach?

How are the four licensing objectives going to be supported?

Due to the limited information provided the Police cannot support this TENs.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The applicant needs to provide full details of how this event is going to be run and to show that they have the permission to use the location requested.
