The Chief Officer of Police has received a Temporary Event Notice under Section 100 Licensing Act 2003, and under Section 104 of that Act, asks the Licensing Authority to consider this objection in respect of the prevention of crime and disorder objective.

Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are objecting to the TENs application for this event.

The premises have changed ownership and are in the process of changing its name.

So the Police understand why this TENS has been applied for.

However the premises has been recently called before a Council review panel hearing where the Police and Environmental Health raised issues regarding noise complaints and excessive patron noise.

The hearing resulted in a reduction in hours and extra conditions to resolve this concern.

This was resolved and the new conditions were applied to the premises licence in July 2017. The Police feel this is too soon to support the premises to be allowed to stay open until this time, after the premises was called for review due to the noise during these hours which are being asked for.

The Police cannot support this TENS notice.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

The Police will only support the current terms of the active premises licence.
