Subject: TEN application - The Gallery 15 Cecil Square Margate - 27/10/17

Licensing,

I have been asked to comment on the above TEN application on behalf of Environmental Health.

I object to the application on the grounds of the prevention of public nuisance. The Gallery has only recently (July 2017) been subject to a premises licence review. As part of that review the hours of the premises were reduced. Prior to our agreement to any TEN, Environmental Health would like to see a clear extended period of operation where there are no complaints.
