

The table is sub-divided in order to illustrate the suggested nature of the work involved:

- a) **Standing Working Party** – a formal sub-committee which will report its findings back to the Panel for recommendation onto the executive.
- b) **Presentations** – these are presentations to the Panel that will allow the Panel to consider whether any further work should be undertaken and a specific item included in the Panel’s work programme.
- c) **Watching briefs** – possible additions to the work programme dependent upon any changes in the status of these items.

*NB: The Independent Group has been unable to assign a member from their Group to the Corporate Performance Review Working Party.
