Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because

The Police are objecting to the TENs application for this event.

The Police have called for a full review of this premises licence due to the increase of

violence at the venue in the early hours of the morning. To support this TENs would not be supporting the position the Police have taken in calling for the review.

Due to the time being requested for this TENs, the Police cannot support it.

Please use separate sheets where necessary

Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:

Please use separate sheets where necessary. Consider s106 Licensing Act 2003.

A hearing for the review of the Premises Licence has been made and the police cannot support any increase in hours at this premises.
