Due to the circumstances of this case, I am satisfied that allowing the premises to be used in accordance with the notice would undermine the crime prevention objective because .....

The Police are not support the TENs application for this event.

Due to the time being requested for this TENS, the Police cannot support it. The premises are in a residential area with many calls for antisocial behaviour and crime commonly linked to this immediate area.

The Premises licence already allows specific conditions for extensions during key holiday times. However the premises want to extend the already extended hours. This will have a significant impact on local residents.

At this stage the Police cannot support this TENS.

Please use separate sheets where necessary

**Suggested modifications that could be added to the temporary event notice to remedy the objection or other suggestions the Licensing Sub Committee may take into account:**

*Please use separate sheets where necessary. Consider s106 Licensing Act 2003.*

Due to the licence already allowing extensions in hours the police cannot support further extensions on these.
