Executive Summary:

The Local Plan supports the Council's Corporate Plan priorities and is one of the Council's key strategies in delivering on its priority to promote inward investment and job creation. It helps set the strategic framework for delivery of the Council's economic ambitions. Not only does it help to deliver the economic strategy, it also makes provision for new housing to meet local needs and to support the growth of the workforce, and other development requirements, and supports the provision of key new infrastructure.

It is also a statutory document that is assessed by an independent Planning Inspector, and this report describes the legal requirements and processes for the Local Plan at this stage, and the guidance which affects decisions through the Local Plan process.

This report sets out the current position with the draft Local Plan; identifies new information to be considered in relation to the draft Plan; and seeks Members' views on the next steps to be taken with the draft Plan.

Cabinet's response to any representations from the Extraordinary Executive, Policy & Community Safety Scrutiny Panel to be held on the 11 July 2018.

CORPORATE IMPLICATIONS									
Financial and Value for Money	<p>The arrangements for formal publication of a draft local plan are anticipated to cost about £10,000, taking into account printing costs; venue costs; etc. This is within the current budget.</p> <p>There are no specific requirements under Contract Standing Orders/ Financial Procedure Rules relating to the Publication stage.</p>								
Legal	<p>This report relates to the next stage of the Local Plan process, and needs to be carried out in accordance with any relevant Regulations (including the Town and Country Planning (Local Planning) (England) Regulations 2012) and Government guidance, and in line with the Council's adopted Statement of Community Involvement (SCI).</p>								
Corporate	<ul style="list-style-type: none"> • Primary corporate risk is not having a well-evidenced Local Plan. Lack of a "sound" Plan places the Council "at risk" in terms of Appeal decisions and also delays the provision of infrastructure, effectively losing control of the development process. There continues to be a significant risk of further intervention by MHCLG, if timely progress is not made on preparation of the draft Plan. Any decision on the draft Plan that runs counter to the available evidence would be likely to fail at Examination and also potentially be subject to Judicial Review. • There is a strong "fit" between the draft Local Plan and corporate strategy priorities. • Environmental implications – none directly from publication of a draft Plan. Environmental issues related to the provisions of the draft Plan are considered through the Sustainability Appraisal/Strategic Environmental Assessment/Habitat Regulations Assessment, which also need to be available for comment at Publication stage. 								
Equality Act 2010 & Public Sector Equality Duty	<p>Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.</p> <p>Protected characteristics: age, gender, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td colspan="2">Please indicate which aim is relevant to the report.</td> </tr> <tr> <td>Eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act,</td> <td style="text-align: center;">✓</td> </tr> <tr> <td>Advance equality of opportunity between people who share a protected characteristic and people who do not share it</td> <td style="text-align: center;">✓</td> </tr> <tr> <td>Foster good relations between people who share a protected</td> <td style="text-align: center;">✓</td> </tr> </table>	Please indicate which aim is relevant to the report. 	<p>characteristic and people who do not share it.</p> <p>The PSED is engaged by the Local Plan topic. The draft Local Plan is the subject of a continuing Equalities Impact Assessment, which indicates that the duty is met by the draft policies in the Plan.</p> <p>A number of policies within the draft Plan address issues that could otherwise have an impact on groups with protected characteristics. For example, policies relating to air quality; transport; provision of key social and physical infrastructure; accessible housing; protection of open space; internal space standards and water efficiency measures in new housing, all assist with meeting the aims of the PSED.</p> <p>It is therefore the view of officers that the duty is met by the policies set out in the draft Plan.</p> <p>When the draft Local Plan is published, officers will review representations for equality issues in addition to those already considered as part of previous consultations.</p>
