To Whom it May Concern

I am writing to object to the hours of 1:30 am as this will bring anti social behaviour to the High Street late at night where there are residential flats and businesses who will be affected.

As the owner of [redacted] constantly am cleaning up vomit and urine in the Bilton Square alley between KFC and [redacted]

A late night premises will further exacerbate this problem.

Thank you for contacting the Licensing Department at Thanet Council - we will respond to your email within 10 working days.

I object to the late night opening hours of 130 am due to antisocial behaviour and urinating and the excessive noise levels we have 2x young children and the noise in the highstreet already effects their sleep also there is alot of swearing □ which is very coherant in our flat, also the alleyway which leads to our home ls constantly being used as a public toilet it is very smelly and dirty and my family have to constantly dodge the urine when entering and leaving our home, please take this objection seriously as over the last 24 months the highstreet has become almost unbearable to live in, we have a close community in the highstreet everyone is kind and always polite and always ready to help if you need it
