1.0 Introduction and Background

- 1.1 Although it has been the tradition on previous occasions that a programme of ordinary meetings of the Council for the year was approved by Council at any one time, suggestions have been offered before by officers and agreed by Members to approve a programme that had more than one year's schedule of meetings.
- 1.2 This approach would enable Council service areas to plan their work ahead of time. Whilst the current multi year calendar of meetings was approved by Council on 28 March 2019, the changes to the scrutiny arrangements had necessitated updating the calendar of meetings to reflect these new constitutional arrangements. It is therefore proposed in the report that Members agree the calendar of meetings at this Annual meeting.
- 1.3 It is worth noting however that Council has the ability to make changes to the programme of meetings as and when necessary.

2.0 The Current Situation

- 2.1 The current calendar of meetings runs up to end of May 2023.
- 2.2 Council is asked to approve the amended calendar of meetings for 2019 to 2023 as set out in Annex 1.

3.0 Options

- 3.1 That Council agrees the calendar of meetings for May 2019 to May 2023.
- 3.2 That Members suggest any appropriate amendments to the proposed calendar of meetings for 2019 to 2023.
