Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The Beet Bar is a vegan cafe situated in the secluded corner of the Market Street Car Park. We would like to offer only vegan alcohol to go with our vegan food.

We are also a hotel that is partially built and open. Regarding noise pollution, we would not only be mindful of our neighbours but our guests too.

We have previously had temporary licenses.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Will the exhibition of films take place indoors or outdoors or both?

Indoors Outdoors Both

Where taking place in a building or other structure tick as appropriate. Indoors may include a tent.

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

We currently hold pop-up supper club, but always only have our own staff serving. The sound would only be amplified to the point where conversations could be heard above.

State any seasonal variations for the exhibition of film

For example (but not exclusively) where the activity will occur on additional days during the summer months.

I have listed potential days and times. The reality is that we are yet to show any films, though these would probably be documentaries along the lines of our vegan business.

Non standard timings. Where the premises will be used for the exhibition of film at different times from those listed in the column on the left, list below

For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

Where taking place in a building or other structure tick as appropriate. Indoors may include a tent.

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

This is not a regular activity, however we would like the opportunity to have some live music in keeping with our supper evenings without having to continue getting tens licenses for the odd events.

State any seasonal variations for the performance of live music

For example (but not exclusively) where the activity will occur on additional days during the summer months.

Music would more likely be inside within the colder months

We do not believe there would be any occasions that would necessarily overrun so on these occasions we would apply for a tens licence.

ADULT ENTERTAINMENT

Highlight any adult entertainment or services, activities, or other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children

Give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups etc gambling machines etc.

The only possible entertainment that would entail a restriction for children may be a documentary film of 18+ rating. It would be made very clear to customers that the film is not suitable for children and children would not be permitted. Any 18+ rated movie would only be that of a documentary and be directly related to our vegan philosophy, i.e. animal welfare, or environmental documentaries. There would most definitely be no 18+ content that was not in documentary form.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

TO PROMOTE ALL FOUR LICENSING OBJECTIVES WE WILL KEEP:

Strong management controls and effective training of all staff so that they are aware of the premises license and the requirements to meet the four licensing objectives with particular attention to:

- c/ Vigilance in preventing the use and sale of illegal drugs
- d/ Zero tolerance to violent and anti-social behaviour
- e/ Staff are aware and understand the Ask for Angela campaign
- f/ Operating Schedule providing the hours of operation and licensable activities during those hours.
- g/ Designated premises supervisor confirmed it is obligated to be in day-to-day control of the premises, to provide good training for staff on the Licensing Act (Training Record), to make or authorize each sale
- h/ We will operate the Challenge 25 Scheme and proof of age cards.
- j/ CCTV system installed both inside and outside of the premises.

b) The prevention of crime and disorder

We have CCTV installed both inside and outside of the premises.

Clear and legible notice outside the premises indicating the normal hours under the terms of the premises license during which licensable activities are permitted.

Not selling alcohol to drunk or intoxicated customers.

Staff are aware and understand the Ask for Angela campaign.

We will operate the Challenge 25 Scheme and proof of age cards.

Custom will not be sought by means of personal solicitation outside or in the vicinity of the premises.

Prevention and vigilance in illegal drug use at the retail unit area.

Staff will be well trained in asking customers to use premises in an orderly and respectful manner.

c) Public safety

We have CCTV installed both inside and outside of the premises.

Internal and external lighting fixed to promote the public safety objective.

Well trained staff adherence to environmental health requirements.

Training and implementation of underage ID checks.

A log book shall be kept upon the premises in which shall be entered particulars of inspections made, those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises license that requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation.

All parts of the premises and all fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, air condition, sanitary accommodation and other installations, will be maintained at all times in good order and in a safe condition.

d) The prevention of public nuisance

We will monitor noise levels with live music and recorded.

Noise levels, including any and all music of other noise creating instruments, both acoustic and amplified will be monitored to address the public nuisance objective.

Prominent, clear and legible notices will be displayed at the exit requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly.

Deliveries of goods necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents.

The Licensee will ensure that staff who arrive early morning or depart late at night (ex. for unpacking, pricing newly delivered goods) when the business has ceased trading conduct themselves in such a manner to avoid causing disturbance to nearby residents.

Customers will be asked not to stand around loudly talking in the street outside the premises.

Customers will not be admitted to premises outside opening hours.

The movement of bins and rubbish outside the premises will be kept to a minimum after 11.00pm. This will help to reduce

Continued from previous page...

The levels of noise produced by the premises.

Any lighting on or outside the premises will be positioned and screened in such a way so as to not cause a disturbance to nearby residents.

Adequate waste receptacles for use by customers will be provided in the local vicinity.
