**NOTES**

General

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).
