Opening Hours 22.00 Monday to Thursday and Sunday ; 22.30 Friday and Saturday
Supply of Alcohol Monday to Sunday 22.30

However planning consent F/TH/19/0498 states:

The use of the premises hereby approved shall not be used other than between the hours of
Monday - Fridays 1700-2200
Saturdays 1200-2300
Sundays 1200- 2100

Therefore they would need to apply to vary this condition or alter their form accordingly.

thank you

Hello there,

I can confirm I request that the hours on the application be changed to those allowed by the planning department.

Cheers,

Good Morning

The following email was sent to [REDACTED] who informed us it had been passed on. Can you please confirm asap as we can't process the licence until the hours have been agreed.

Kind Regards
Licensing

Good Afternoon

Reference your recent Premises Licence application. We have had comments back from the Police and your requested hours do not match the hours that have been agreed by Planning.

The planning hours are

Mon - Fri - 17 - 22:00

Sat - 12 - 23:00

Sun - 12 - 21:00

Therefore the application can't be agreed as it currently stands. If you wish to change the hours on the application form please email us with the your agreement and the correct hours.

Kind Regards
Licensing

Good Afternoon

A copy of the notice is attached and it must be on blue paper. The consultation period is actually 28 days starting from tomorrow as we received the application today.

Please send a photo of the notice in place on the premises (email in fine) and confirm the date and local paper that the notice is being published in.

Kind Regards
Licensing

Hello,

A notice is to be placed, but I would require the date, as I'm only assuming it's the standard 30 working days. Where might I acquire a copy of the 'Blue Notice'?

All the best,

[REDACTED]
